PRINCIPAL AMOUNT: ONE MILLION FIFTEEN THOUSAND DOLLARS

REGISTERED OWNER: CEDE & CO.

The ILLINOIS FINANCE AUTHORITY (the "Authority"), a body politic and corporate created under the Illinois Finance Authority Act, as amended (the "Act"), for value received, hereby promises to pay in lawful money of the United States of America to the registered owner identified above, or registered assigns, on the maturity date specified above, unless this Bond shall be redeemable and shall have previously been called for redemption and payment of the redemption price made or provided for, but solely from amounts available under the Indenture

and certain amounts payable under the Loan Agreement (all as hereinafter referred to), which payments and amounts are pledged and assigned for the benefit and payment hereof pursuant to the Indenture and not otherwise, upon presentation and surrender hereof, the principal amount specified above and to pay interest on such principal amount (based on a 360-day year of twelve 30-day months) in like manner, but solely from said amounts available under the Indenture and the Loan Agreement, from the dated date hereof at the interest rate per annum specified above, payable on each June 1 and December 1, commencing June 1, 2008, until payment of such principal amount, or provision therefor, shall have been made upon redemption or at maturity. The principal of this Bond and the premium, if any, payable upon redemption, are payable on the applicable maturity or redemption date upon presentment at the principal corporate trust office of Amalgamated Bank of Chicago, as trustee (the "Trustee"). Except as otherwise provided in the Indenture with respect to Defaulted Interest (as defined therein), interest payments hereon shall be made to the registered owner hereof appearing on the registration books of the Authority (the "Bond Register") maintained by the Trustee, as bond registrar, as of the close of business of the Trustee on the May 15 or November 15 (whether or not a Business Day) next preceding the applicable interest payment date (the "Record Date") and shall be paid by check or draft of the Trustee mailed on the applicable interest payment date to the registered owner at such owner's address as it appears on the Bond Register.

This bond is one of an authorized series of bonds issued by the Authority pursuant to the Indenture in the aggregate principal amount of $8,490,000 and designated as the Sports Facility Revenue Bonds (North Shore Ice Arena Project), Series 2008 (the "Bonds"). The Authority is issuing the Bonds for the purpose of loaning funds to North Shore Ice Arena, LLC, an Illinois limited liability company (the "Borrower"), which will be used, together with certain other moneys, to (i) pay the Borrower or to reimburse the Wilmette Hockey Association, Inc., an Illinois not for profit corporation and the sole member of the Borrower (the "Guarantor") for the cost of certain projects, (ii) establish a Debt Service Reserve Fund, (iii) pay a portion of the interest on the Bonds, and (iv) pay certain expenses incurred in connection with the issuance of the Bonds, all as permitted under the Act.

The Authority will loan the proceeds of the Bonds to the Borrower pursuant to a Loan Agreement dated as of January 1, 2008 (the "Loan Agreement") among the Borrower, the Guarantor and the Authority. The Borrower has agreed in the Loan Agreement to pay the Authority amounts sufficient to pay all amounts coming due on the Bonds and the Authority has assigned its rights to such payments under the Loan Agreement (other than Unassigned Rights, as defined in the Indenture) to the Trustee as security for the Bonds.

The Bonds are all issued under and equally and ratably secured by and entitled to the security of a Trust Indenture dated as of January 1, 2008 (the "Indenture") between the Authority and the Trustee, pursuant to which Indenture all of the right, title and interest of the Authority in and to the Loan Agreement (excluding Unassigned Rights) are assigned by the Authority to the Trustee as security for the Bonds. In addition, all or any portion of any series of Bonds may be advance refunded through a deposit in escrow for **the** benefit of such refunded Bonds of cash, noncallable Government Obligations (as defined in the Indenture) or both. Reference is made to the Indenture, to all indentures supplemental thereto, and to the Loan Agreement and to all

amendments thereto for the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Authority and the Trustee and the rights of the owners of the Bonds, and to all the provisions of which the owner hereof, by the acceptance of this Bond assents.

This Bond and such other Bonds of the series of which it forms a part do not constitute a debt or liability of the State or of any political subdivision thereof other than the Authority or a pledge of the faith and credit of the State or any political subdivision thereof other than the Authority, but shall be payable solely from the funds pledged therefor in accordance with the Indenture. The issuance of the Bonds under the provisions of the Act does not directly, indirectly or contingently obligate the State or any political subdivision thereof to levy any form of taxation for the payment thereof or to make any appropriation for their payment, and such Bonds and the premium, if any, and interest payable thereon do not now and shall never constitute a debt of the State within the meaning of the Constitution or the statutes of the State and do not now and shall never constitute a charge against the credit or taxing power of the State or any political subdivision thereof. The State shall not in any event be liable for the payment of the principal of, premium, if any, or interest on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach by the Authority of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State or any charge upon its general credit or against its taxing power.

This Bond and the other Bonds, and the interest and premium, if any, payable hereon and thereon, are limited obligations of the Authority and are payable solely from (a) payments or prepayments on the Loan, (b) payments or prepayments to be made under the Loan Agreement (other

than Unassigned Rights), (c) moneys and investments held by the Trustee under, and to the extent provided in, the Indenture and (d) in certain circumstances, proceeds from certain insurance and condemnation awards or proceeds from sales consummated under threat of condemnation.

This Bond is registered on the Bond Register and may be transferred by the registered owner hereof at the written request of such registered owner in person or by his duly authorized attorney, but only in the manner, subject to the limitations and upon the payment of the charges provided in the Indenture and upon surrender and cancellation of this Bond. Upon such transfer, a new fully registered Bond or Bonds, without coupons, of the same maturity and of authorized denominations for the same aggregate principal amount, shall be issued to the transferee in exchange therefor. Any Bond may be exchanged for a like aggregate principal amount of Bonds of the same maturity. The Authority and the Trustee may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal, premium, if any, and interest due hereon, and neither the Authority nor the Trustee shall be affected by any notice to the contrary. The Trustee shall not be required to register the transfer of or exchange any Bond after notice calling such Bond or portion thereof for redemption has been given as provided in the Indenture, or during the period of 15 *days* next preceding the mailing of such notice of redemption with respect to any Bonds of the same maturity.

The Bonds are issuable only as registered Bonds in denominations of $25,000 and any integral multiples of $5,000 in excess thereof.

Outstanding Bonds maturing on June 1, 2038 are also subject to redemption prior to maturity on June 1, 2008, December 1, 2008, June 1, 2009 and December 1, 2009 at the option of the Authority upon written direction of the Borrower out of amounts prepaid on the Loan and deposited in the June 1, 2038 Bond Optional Redemption Account, in whole or in part at any time, and if in part by portions designated by the Borrower, at the redemption price of par, plus accrued interest thereon to the date of redemption.

Outstanding Bonds maturing on December 1, 2028, June 1, 2038 and December 1, 2038 are also subject to redemption prior to maturity on or after December 1, 2018 at the option of the Authority upon written direction of the Borrower out of amounts prepaid on the Loan and deposited in the Optional Redemption Fund, in whole or in part at any time, and if in part by portions designated by the Borrower, at the redemption price of par, plus accrued interest thereon to the date of redemption.

Outstanding Bonds are also redeemable prior to maturity in the event of damage to or destruction of the Property of the Borrower or any part thereof or condemnation or sale consummated

under threat of condemnation of such Property or any part thereof, if the amount of the Net Proceeds (as defined in the Loan Agreement) of insurance, condemnation or sale received in connection therewith applied to make prepayments on the Loan exceeds $1,000,000. If called for redemption in the events referred to in this paragraph, outstanding Bonds will be subject to redemption by the Authority at any time, in whole or in part and if in part, the principal amount of each maturity of Bonds to be redeemed shall be specified by the Borrower and, in the absence of such direction, in the inverse order of maturity and by lot within a maturity.

The Bonds are also subject to mandatory sinking fund redemption prior to maturity, at a redemption price equal to the principal amount thereof, plus accrued interest, on December 1 in the years and principal amounts set forth in the following schedule:

The Bonds are also subject to mandatory redemption prior to maturity, at a redemption price of 103% of the principal amount of the Bonds being redeemed, plus accrued interest, if any, to the redemption date, not later than 180 days after a Determination of Taxability (as defined in the Indenture). Fewer than all of the Bonds may be redeemed if redemption of fewer than all of the Bonds would result in the interest payable on the Bonds remaining Outstanding

Bonds being not includable in the gross income for Federal income tax purposes of other than a "substantial user" or "related person.

any holder

No redemption (other than mandatory sinking fund redemptions) of less than all of the Bonds at the time outstanding shall be made unless the aggregate principal amount of Bonds to be redeemed is equal to or greater than $25,000 and is an integral multiple of $5,000. If less than all of a single maturity of Bonds is to be redeemed, such Bonds shall be selected in inverse order of redemption, and by lot within a maturity, in such manner as may be designated by the Trustee. In lieu of redeeming Bonds pursuant to the provisions of the Indenture, the Trustee may, at the request of the Borrower, use such funds otherwise available under the Indenture for redemption of Bonds to purchase Bonds in the open market at a price not exceeding the redemption price then applicable under the Indenture. In the case of any optional or extraordinary redemption or any purchase and cancellation of the term Bonds, the Authority shall receive credit against its mandatory sinking fund redemption requirements with respect to such term Bonds in such order as the Borrower elects in writing prior to such optional or extraordinary redemption or purchase and cancellation or, if no such election is made, in the inverse order of maturity and by lot within a maturity.

In the event any of the Bonds are called for redemption as aforesaid, notice thereof identifying the Bonds to be redeemed will be given by mailing a copy of the redemption notice by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the Bond Register; provided, however that failure to give such notice by mailing, or any defect in such notice or mailing as to any Bond shall not affect the validity of any proceedings for redemption as to any other Bond for which notice was adequately given. All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided sufficient

funds for their redemption are on deposit at the place of payment at that time, and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture.

The Bonds are subject to defeasance of the Indenture by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, together with the income or increment to accrue thereon, without consideration of any reinvestment thereof, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on all Bonds outstanding under the Indenture at or before their respective maturity dates. The Bonds are also subject to defeasance of the Indenture by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, without consideration of any income or increment to accrue thereon, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on all Bonds outstanding under the Indenture at or before their respective maturity dates, it being understood that the investment income on such cash or noncallable Government Obligations may be used for any other purpose under the Act. Upon such payment or provision therefor, together with all other payments required under the Indenture, the Indenture may be discharged in accordance with the provisions thereof, but the Authority shall remain the obligor on all Bonds although the owners thereof and the owner hereof shall be entitled to payment solely out of such cash and funds received from such Government Obligations deposited with the Trustee.

IMIDWEST BANK NOTE COMPANY, PLYMOUTH

The Authority may also pay or provide for the payment of the entire indebtedness on any portion of the Bonds by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, together with the income or increment to accrue thereon, but without consideration of any reinvestment thereof, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on such portion of the Bonds at or before their respective maturity dates; or depositing with the Trustee cash, noncallable Government Obligations or both in an amount, without consideration of any income or increment to accrue thereon, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on any such portion of the Bonds at or before their respective maturity dates, it being understood that the investment income on such Government Obligations may be used for any other purpose under the Act. Upon such deposit, such portion of the Bonds shall cease to be entitled to any lien, benefit or security under the Indenture. The Authority shall remain the obligor on such portion of the Bonds, but the owners thereof shall be entitled to payment (to the exclusion of all other Bondholders) solely out of such cash and funds received from such Government Obligations deposited with the Trustee.

The foregoing notwithstanding, none of the Bonds may be so refunded nor may the Indenture be discharged if under any circumstances such refunding or discharge would result in the loss of any exemption for purposes of federal income taxation to which interest on the Bonds would otherwise be

entitled. As a condition precedent to the advance refunding of any Bonds, the Indenture requires that the Trustee receive an Opinion of Bond Counsel (as defined in the Indenture), which Opinion may be based upon a ruling or rulings of the Internal Revenue Service, to the effect that such advance refunding will not result in the loss of any exemption for the purposes of federal income taxation to which interest on the Bonds would otherwise be entitled.

The Indenture creates a Debt Service Reserve Fund to be maintained for the benefit of the Bonds. An initial deposit will be made to the Debt Service Reserve Fund in an amount equal to the Debt Service Reserve Fund Requirement (as defined in the Indenture) upon the initial issuance of the Bonds. In lieu of maintaining and depositing moneys in the Debt Service Reserve Fund, to the extent otherwise required, the Borrower may deposit with the Trustee a letter of credit or irrevocable surety bond policy, each as more fully described in the Indenture.

In connection with any partial redemption or defeasance prior to maturity of the Bonds of any series entitled to the benefits and security of the Debt Service Reserve Fund, the Trustee may, at the request of the Borrower, use any amounts on deposit in the Debt Service Reserve Fund in excess of the Debt Service Reserve Fund Requirement after such redemption or defeasance to pay the debt service on or the redemption price of said Bonds to be redeemed or defeased or as otherwise directed by the Borrower if the Trustee has received an Opinion of Bond Counsel to the effect that such transfer would not adversely affect the exemption for the purposes of federal income taxation to which interest on the Bonds is otherwise entitled or the validity of any Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings

OMOWEST BANK NOTE COMPANY, PLYMOUTH, MICH. — UTHO

with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all Bonds of all Series issued under the Indenture and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon.

Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

A Continuing Disclosure Agreement from the Borrower, to each registered owner and beneficial owner of any Bond, dated as of the date of issuance of the Bonds (the "Disclosure Agreement"), has been executed by the Borrower, a copy of which is available from the Authority and the terms of which are incorporated herein by this reference. The Disclosure Agreement contains certain promises of the Borrower to each registered owner and beneficial owner of any bond, including a promise to provide

certain continuing disclosure. By its payment for and acceptance of this Bond, the registered owner and beneficial owners of this Bond assent to the Disclosure Agreement and to the exchange of such payment and acceptance for such promises.

It is hereby certified that all conditions, acts and things required to exist, happen and be performed under the Act and under the Indenture precedent to and in the issuance of this Bond, exist, have happened and have been performed, and that the issuance, authentication and delivery of this Bond have been duly authorized by a resolution of the Authority duly adopted.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in the Indenture contained against any past, present or future officer, director, member, employee or agent of the Authority, or any officer, director, member, trustee, employee or agent of any successor public Borrower or body politic, as such, either directly or through the Authority or any successor public Borrower or body politic, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, directors, trustees, members, employees or agents, as such, is hereby expressly waived and released as a condition of and consideration for the execution of the Indenture and the issuance of any of the Bonds.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been duly executed by the Trustee.

PRINCIPAL AMOUNT: ONE MILLION NINE HUNDRED THIRTY-FIVE THOUSAND DOLLARS

REGISTERED OWNER: CEDE & CO.

The ILLINOIS FINANCE AUTHORITY (the "Authority"), a body politic and corporate created under the Illinois Finance Authority Act, as amended (the "Act"), for value received, hereby promises to pay in lawful money of the United States of America to the registered owner identified above, or registered assigns, on the maturity date specified above, unless this Bond shall be redeemable and shall have previously been called for redemption and payment of the redemption price made or provided for, but solely from amounts available under the Indenture

and certain amounts payable under the Loan Agreement (all as hereinafter referred to), which payments and amounts are pledged and assigned for the benefit and payment hereof pursuant to the Indenture and not otherwise, upon presentation and surrender hereof, the principal amount specified above and to pay interest on such principal amount (based on a 360-day year of twelve 30-day months) in like manner, but solely from said amounts available under the Indenture and the Loan Agreement, from the dated date hereof at the interest rate per annum specified above, payable on each June 1 and December 1, commencing June 1, 2008, until payment of such principal amount, or provision therefor, shall have been made upon redemption or at maturity. The principal of this Bond and the premium, if any, payable upon redemption, are payable on the applicable maturity or redemption date upon presentment at the principal corporate trust office of Amalgamated Bank of Chicago, as trustee (the "Trustee"). Except as otherwise provided in the Indenture with respect to Defaulted Interest (as defined therein), interest payments hereon shall be made to the registered owner hereof appearing on the registration books of the Authority (the "Bond Register")

maintained by the Trustee, as bond registrar, as of the close of business of the Trustee on the May 15 or November 15 (whether or not a Business Day) next preceding the applicable interest payment date (the "Record Date") and shall be paid by check or draft of the Trustee mailed on the applicable interest payment date to the registered owner at such owner's address as it appears on the Bond Register.

This bond is one of an authorized series of bonds issued by the Authority pursuant to the Indenture in the aggregate principal amount of $8,490,000 and designated as the Sports Facility Revenue Bonds (North Shore Ice Arena Project), Series 2008 (the "Bonds"). The Authority is issuing the Bonds for the purpose of loaning funds to North Shore Ice Arena, LLC, an Illinois limited liability company (the "Borrower"), which will be used, together with certain other moneys, to (i) pay the Borrower or to reimburse the Wilmette Hockey Association, Inc., an Illinois not for profit corporation and the sole member of the Borrower (the "Guarantor") for the cost of certain projects, (ii) establish a Debt Service Reserve Fund, (iii) pay a portion of the interest on the Bonds, and (iv) pay certain expenses incurred in connection with the issuance of the Bonds, all as permitted under the Act.

The Authority will loan the proceeds of the Bonds to the Borrower pursuant to a Loan Agreement dated as of January 1, 2008 (the "Loan Agreement") among the Borrower, the Guarantor and the Authority. The Borrower has agreed in the Loan Agreement to pay the Authority amounts sufficient to pay all amounts coming due on the Bonds and the Authority has assigned its rights to such payments under the Loan Agreement (other than Unassigned Rights, as defined in the Indenture) to the Trustee as security for the Bonds.

The Bonds are all issued under and equally and ratably secured by and entitled to the security of a Trust Indenture dated as of January 1, 2008 (the "Indenture") between the Authority and the Trustee, pursuant to which Indenture all of the right, title and interest of the Authority in and to the Loan Agreement (excluding Unassigned Rights) are assigned by the Authority to the Trustee as security for the Bonds. In addition, all or any portion of any series of Bonds may be advance refunded through a deposit in escrow for the benefit of such refunded Bonds of cash, noncallable Government Obligations (as defined in the Indenture) or both. Reference is made to the Indenture, to all indentures supplemental thereto, and to the Loan Agreement and to all

CMIDWEST BANK NOTE COMPANY, PLYMOUTH, MICH. — UTHO

amendments thereto for the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Authority and the Trustee and the rights of the owners of the Bonds, and to all the provisions of which the owner hereof, by the acceptance of this Bond assents.

This Bond and such other Bonds of the series of which it forms a part do not constitute a debt or liability of the State or of any political subdivision thereof other than the Authority or a pledge of the faith and credit of the State or any political subdivision thereof other than the Authority, but shall be

payable solely from the funds pledged therefor in accordance with the Indenture. The issuance of the Bonds under the provisions of the Act does not directly, indirectly or contingently obligate the State or any political subdivision thereof to levy any form of taxation for the payment thereof or to make any appropriation for their payment, and such Bonds and the premium, if any, and interest payable thereon do not now and shall never constitute a debt of the State within the meaning of the Constitution or the statutes of the State and do not now and shall never constitute a charge against the credit or taxing power of the State or any political subdivision thereof. The State shall not in any event be liable for the payment of the principal of, premium, if any, or interest on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach by the Authority of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State or any charge upon its general credit or against its taxing power.

This Bond and the other Bonds, and the interest and premium, if any, payable hereon and thereon, are limited obligations of the Authority and are payable solely from (a) payments or prepayments on the Loan, (b) payments or prepayments to be made under the Loan Agreement (other than Unassigned Rights), (c) moneys and investments held by the Trustee under, and to the extent provided in, the Indenture and (d) in certain circumstances, proceeds from certain insurance and condemnation awards or proceeds from sales consummated under threat of condemnation.

This Bond is registered on the Bond Register and may be transferred by the registered owner hereof at the written request of such registered owner in person or by his duly authorized attorney, but only in the manner, subject to the limitations and upon the payment of the charges provided in the Indenture and upon surrender and cancellation of this Bond. Upon such transfer, a new fully registered Bond or Bonds, without coupons, of the same maturity and of authorized denominations for the same aggregate principal amount, shall be issued to the transferee in exchange therefor. Any Bond may be exchanged for a like aggregate principal amount of Bonds of the same maturity. The Authority and the Trustee may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal, premium, if any, and interest due hereon, and neither the Authority nor the Trustee shall be affected by any notice to the contrary. The Trustee shall not be required to register the transfer of or exchange any Bond after notice calling such Bond or portion thereof for redemption has been given as provided in the Indenture, or during the period of 15 days next preceding the mailing of such notice of redemption with respect to any Bonds of the same maturity.

©MOWEST BANK HOTE COMPANY, PLYMOUTH, MICH. — UTHO

The Bonds are issuable only as registered Bonds in denominations of $25,000 and any integral multiples of $5,000 in excess thereof.

Outstanding Bonds maturing on June 1, 2038 are also subject to redemption prior to

maturity on June 1, 2008, December 1, 2008, June 1, 2009 and December 1, 2009 at the option of the Authority upon written direction of the Borrower out of amounts prepaid on the Loan and deposited in the June 1, 2038 Bond Optional Redemption Account, in whole or in part at any time, and if in part by portions designated by the Borrower, at the redemption price of par, plus accrued interest thereon to the date of redemption.

Outstanding Bonds maturing on December 1, 2028, June 1, 2038 and December 1, 2038 are also subject to redemption prior to maturity on or after December 1, 2018 at the option of the Authority upon written direction of the Borrower out of amounts prepaid on the Loan and deposited in the Optional Redemption Fund, in whole or in part at any time, and if in part by portions designated by the Borrower, at the redemption price of par, plus accrued interest thereon to the date of redemption.

Outstanding Bonds are also redeemable prior to maturity in the event of damage to or destruction of the Property of the Borrower or any part thereof or condemnation or sale consummated under threat of condemnation of such Property or any part thereof, if the amount of the Net Proceeds (as defined in the Loan Agreement) of insurance, condemnation or sale received in connection therewith applied to make prepayments on the Loan exceeds $1,000,000. If called for redemption in the events referred to in this paragraph, outstanding Bonds will be subject to redemption by the Authority at any time, in whole or in part and if in part, the principal amount of each maturity of Bonds to be redeemed shall be specified by the Borrower and, in the absence of such direction, in the inverse order of maturity and by lot within a maturity.

The Bonds are also subject to mandatory sinking fund redemption prior to maturity, at a redemption price equal to the principal amount thereof, plus accrued interest, on December 1 in the years and principal amounts set forth in the following schedule:

The Bonds are also subject to mandatory redemption prior to maturity, at a redemption price of 103% of the principal amount of the Bonds being redeemed, plus accrued interest, if any, to the redemption date, not later than 180 days after a Determination of Taxability (as defined in the Indenture). Fewer than **all** of the Bonds may be redeemed if redemption of fewer than all of the Bonds would result in the interest payable on the Bonds remaining Outstanding

Bonds being not includable in the gross income for Federal income tax purposes of any holder other than a "substantial user" or "related person."

No redemption (other than mandatory sinking fund redemptions) of less than all of the Bonds at the time outstanding shall be made unless the aggregate principal amount of Bonds to be redeemed is equal to or greater than $25,000 and is an integral multiple of $5,000. If less than all of a single maturity of Bonds is to be redeemed, such Bonds shall be selected in inverse order of redemption, and by lot within a maturity, in such manner as may be designated by the Trustee. In lieu of redeeming Bonds pursuant to the provisions of the Indenture, the Trustee may, at the request of the Borrower, use such funds otherwise available under the Indenture for redemption of Bonds to purchase Bonds in the open market at a price not exceeding the redemption price then applicable under the Indenture. In the case of any optional or extraordinary redemption or any purchase and cancellation of the term Bonds, the Authority shall receive credit against its mandatory sinking fund redemption requirements with respect to such term Bonds in such order as the Borrower elects in writing prior to such optional or extraordinary redemption or purchase and cancellation or, if no such election is made, in the inverse order of maturity and by lot within a maturity.

In the event any of the Bonds are called for redemption as aforesaid, notice thereof

identifying the Bonds to be redeemed will be given by mailing a copy of the redemption notice by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the Bond Register; provided, however that failure to give such notice by mailing, or any defect in such notice or mailing as to any Bond shall not affect the validity of any proceedings for redemption as to any other Bond for which notice was adequately given. All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided sufficient funds for their redemption are on deposit at the place of payment at that time, and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture.

The Bonds are subject to defeasance of the Indenture by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, together with the income or increment to accrue thereon, without consideration of any reinvestment thereof, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on all Bonds outstanding under the Indenture at or before their respective maturity dates. The Bonds are also subject to defeasance of the Indenture by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, without consideration of any income or increment to accrue thereon, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on all Bonds outstanding under the Indenture at or before their respective maturity dates, it being understood that the investment income on such cash or noncallable Government Obligations may be used for any other purpose under the Act. Upon such payment or provision therefor, together with all other payments required under the Indenture, the Indenture may be discharged in accordance with the provisions thereof, but the Authority shall remain the obligor on all Bonds although the owners thereof and the owner hereof shall be entitled to payment solely out of such cash and funds received from such Government Obligations deposited with the Trustee.

I BANK NOTE COMPANY, PLYMOUTH

The Authority may also pay or provide for the payment of the entire indebtedness on any portion of the Bonds by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, together with the income or increment to accrue thereon, but without consideration of any reinvestment thereof, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on such portion of the Bonds at or before their respective maturity dates; or depositing with the Trustee cash, noncallable Government Obligations or both in an amount, without consideration of any income or increment to accrue thereon, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on any such portion of the Bonds at or before their respective maturity dates, it being understood that the investment income on such Government

Obligations may be used for any other purpose under the Act. Upon such deposit, such portion of the Bonds shall cease to be entitled to any lien, benefit or security under the Indenture. The Authority shall remain the obligor on such portion of the Bonds, but the owners thereof shall be entitled to payment (to the exclusion of all other Bondholders) solely out of such cash and funds received from such Government Obligations deposited with the Trustee.

The foregoing notwithstanding, none of the Bonds may be so refunded nor may the Indenture be discharged if under any circumstances such refunding or discharge would result in the loss of any exemption for purposes of federal income taxation to which interest on the Bonds would otherwise be entitled. As a condition precedent to the advance refunding of any Bonds, the Indenture requires that the Trustee receive an Opinion of Bond Counsel (as defined in the Indenture), which Opinion may be based upon a ruling or rulings of the Internal Revenue Service, to the effect that such advance refunding will not result in the loss of any exemption for the purposes of federal income taxation to which interest on the Bonds would otherwise be entitled.

The Indenture creates a Debt Service Reserve Fund to be maintained for the benefit of the Bonds. An initial deposit will be made to the Debt Service Reserve Fund in an amount equal to the Debt Service Reserve Fund Requirement (as defined in the Indenture) upon the initial issuance of the Bonds. In lieu of maintaining and depositing moneys in the Debt Service Reserve Fund, to the extent otherwise required, the Borrower may deposit with the Trustee a letter of credit or irrevocable surety bond policy, each as more fully described in the Indenture.

In connection with any partial redemption or defeasance prior to maturity of the Bonds of any series entitled to the benefits and security of the Debt Service Reserve Fund, the Trustee may, at the request of the Borrower, use any amounts on deposit in the Debt Service Reserve Fund in excess of the Debt Service Reserve Fund Requirement after such redemption or defeasance to pay the debt service on or the redemption price of said Bonds to be redeemed or defeased or as otherwise directed by the Borrower if the Trustee has received an Opinion of Bond Counsel to the effect that such transfer would not adversely affect the exemption for the purposes of federal income taxation to which interest on the Bonds is otherwise entitled or the validity of any Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings

©MOWEST BANK NOTE COMPANY, PLYMOUTH,

with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all Bonds of all Series issued under the Indenture and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon.

Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

A Continuing Disclosure Agreement from the Borrower, to each registered owner and beneficial owner of any Bond, dated as of the date of issuance of the Bonds (the "Disclosure Agreement"), has been executed by the Borrower, a copy of which is available from the Authority and the terms of which are incorporated herein by this reference. The Disclosure Agreement contains certain promises of the Borrower to each registered owner and beneficial owner of any bond, including a promise to provide certain continuing disclosure. By its payment for and acceptance of this Bond, the registered owner and beneficial owners of this Bond assent to the Disclosure Agreement and to the exchange of such payment and acceptance for such promises.

It is hereby certified that all conditions, acts and things required to exist, happen and be performed under the Act and under the Indenture precedent to and in the issuance of this Bond, exist, have happened and have been performed, and that the issuance, authentication and delivery of this Bond have been duly authorized by a resolution of the Authority duly adopted.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in the Indenture contained against any past, present or future officer, director, member, employee or agent of the Authority, or any officer, director, member, trustee, employee or agent of any successor public Borrower or body politic, as such, either directly or through the Authority or any successor public Borrower or body politic, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, directors, trustees, members, employees or agents, as such, is hereby expressly waived and released as a condition of and consideration for the execution of the Indenture and the issuance of any of the Bonds.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been duly executed by the Trustee.

PRINCIPAL AMOUNT: ONE MILLION FIVE HUNDRED THOUSAND DOLLARS

REGISTERED OWNER: CEDE & CO.

The ILLINOIS FINANCE AUTHORITY (the "Authority"), a body politic and corporate created under the Illinois Finance Authority Act, as amended (the "Act"), for value received, hereby promises to pay in lawful money of the United States of America to the registered owner identified above, or registered assigns, on the maturity date specified above, unless this Bond shall be redeemable and shall have previously been called for redemption and payment of the redemption price made or provided for, but solely from amounts available under the Indenture

and certain amounts payable under the Loan Agreement (all as hereinafter referred to), which payments and amounts are pledged and assigned for the benefit and payment hereof pursuant to the Indenture and not otherwise, upon presentation and surrender hereof, the principal amount specified above and to pay interest on such principal amount (based on a 360-day year of twelve 30-day months) in like manner, but solely from said amounts available under the Indenture and the Loan Agreement, from the dated date hereof at the interest rate per annum specified above, payable on each June 1 and December 1, commencing June 1, 2008, until payment of such principal amount, or provision therefor, shall have been made upon redemption or at maturity. The principal of this Bond and the premium, if any, payable upon redemption, are payable on the applicable maturity or redemption date upon presentment at the principal corporate trust office of Amalgamated Bank of Chicago, as trustee (the "Trustee"). Except as otherwise provided in the Indenture with respect to Defaulted Interest (as defined therein), interest payments hereon shall be made to the registered owner hereof appearing on the registration books of the Authority (the "Bond Register") maintained by the Trustee, as bond registrar, as of the close of business of the Trustee on the May 15 or November 15 (whether or not a Business Day) next preceding the applicable interest payment date (the "Record Date") and shall be paid by check or draft of the Trustee mailed on the applicable interest payment date to the registered owner at such owner's address as it appears on the Bond Register.

This bond is one of an authorized series of bonds issued by the Authority pursuant to the Indenture in the aggregate principal amount of $8,490,000 and designated as the Sports Facility Revenue Bonds (North Shore Ice Arena Project), Series 2008 (the "Bonds"). The Authority is issuing the Bonds for the purpose of loaning funds to North Shore Ice Arena, LLC, an Illinois limited liability company (the "Borrower"), which will be used, together with certain other moneys, to (i) pay the Borrower or to reimburse the Wilmette Hockey Association, Inc., an Illinois not for profit corporation and the sole member of the Borrower (the "Guarantor") for the cost of certain projects, (ii) establish a Debt Service Reserve Fund, (iii) pay a portion of the interest on the Bonds, and (iv) pay certain expenses incurred in connection with the issuance of the

Bonds, all as permitted under the Act.

The Authority will loan the proceeds of the Bonds to the Borrower pursuant to a Loan Agreement dated as of January 1, 2008 (the "Loan Agreement") among the Borrower, the Guarantor and the Authority. The Borrower has agreed in the Loan Agreement to pay the Authority amounts sufficient to pay all amounts coming due on the Bonds and the Authority has assigned its rights to such payments under the Loan Agreement (other than Unassigned Rights, as defined in the Indenture) to the Trustee as security for the Bonds.

The Bonds are all issued under and equally and ratably secured by and entitled to the security of a Trust Indenture dated as of January 1, 2008 (the "Indenture") between the Authority and the Trustee, pursuant to which Indenture all of the right, title and interest of the Authority in and to the Loan Agreement (excluding Unassigned Rights) are assigned by the Authority to the Trustee as security for the Bonds. In addition, all or any portion of any series of Bonds may be advance refunded through a deposit in escrow for the benefit of such refunded Bonds of cash, noncallable Government Obligations (as defined in the Indenture) or both. Reference is made to the Indenture, to all indentures supplemental thereto, and to the Loan Agreement and to all

(GMOVEST BANK NOTE COMPANY, PLYMOUTH, MICHI. — LITHO)

amendments thereto for the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Authority and the Trustee and the rights of the owners of the Bonds, and to all the provisions of which the owner hereof, by the acceptance of this Bond assents.

This Bond and such other Bonds of the series of which it forms a part do not constitute a debt or liability of the State or of any political subdivision thereof other than the Authority or a pledge of the faith and credit of the State or any political subdivision thereof other than the Authority, but shall be payable solely from the funds pledged therefor in accordance with the Indenture. The issuance of the Bonds under the provisions of the Act does not directly, indirectly or contingently obligate the State or any political subdivision thereof to levy any form of taxation for the payment thereof or to make any appropriation for their payment, and such Bonds and the premium, if any, and interest payable thereon do not now and shall never constitute a debt of the State within the meaning of the Constitution or the statutes of the State and do not now and shall never constitute a charge against the credit or taxing power of the State or any political subdivision thereof. The State shall not in any event be liable for the payment of the principal of, premium, if any, or interest on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach by the Authority of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State or any charge upon its general credit or against its taxing power.

This Bond and the other Bonds, and the interest and premium, if any, payable hereon and thereon, are limited obligations of the Authority and are payable solely from (a) payments or prepayments on the Loan, (b) payments or prepayments to be made under the Loan Agreement (other than Unassigned Rights), (c) moneys and investments held by the Trustee under, and to the extent provided in, the Indenture and (d) in certain circumstances, proceeds from certain insurance and condemnation awards or proceeds from sales consummated under threat of condemnation.

This Bond is registered on the Bond Register and may be transferred by the registered owner hereof at the written request of such registered owner in person or by his duly authorized attorney, but only in the manner, subject to the limitations and upon the payment of the charges provided in the Indenture and upon surrender and cancellation of this Bond. Upon such transfer, a new fully registered Bond or Bonds, without coupons, of the same maturity and of authorized denominations for the same aggregate principal amount, shall be issued to the transferee in exchange therefor. Any Bond may be exchanged for a like aggregate principal amount of Bonds of the same maturity. The Authority and the Trustee may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal, premium, if any, and interest due hereon, and neither the Authority nor the Trustee shall be affected by any notice to the contrary. The Trustee shall not be required to register the transfer of or exchange any Bond after notice calling such Bond or portion thereof for redemption has been given as provided in the Indenture, or during the period of 15 days next preceding the mailing of such notice of redemption with respect to any Bonds of the same maturity.

KROWEST BANK NOTE COMPANY, PLYMOUTH, NICH. — UITHO

The Bonds are issuable only as registered Bonds in denominations of $25,000 and any integral multiples of $5,000 in excess thereof.

Outstanding Bonds maturing on June 1, 2038 are also subject to redemption prior to maturity on June 1, 2008, December 1, 2008, June 1, 2009 and December 1, 2009 at the option of the Authority upon written direction of the Borrower out of amounts prepaid on the Loan and deposited in the June 1, 2038 Bond Optional Redemption Account, in whole or in part at any time, and if in part by portions designated by the Borrower, at the redemption price of par, plus accrued interest thereon to the date of redemption.

Outstanding Bonds maturing on December 1, 2028, June 1, 2038 and December 1, 2038 are also subject to redemption prior to maturity on or after December 1, 2018 at the option of the Authority upon written direction of the Borrower out of amounts prepaid on the

Loan and deposited in the Optional Redemption Fund, in whole or in part at any time, and if in part by portions designated by the Borrower, at the redemption price of par, plus accrued interest thereon to the date of redemption.

Outstanding Bonds are also redeemable prior to maturity in the event of damage to or destruction of the Property of the Borrower or any part thereof or condemnation or sale consummated under threat of condemnation of such Property or any part thereof, if the amount of the Net Proceeds (as defined in the Loan Agreement) of insurance, condemnation or sale received in connection therewith applied to make prepayments on the Loan exceeds $1,000,000. If called for redemption in the events referred to in this paragraph, outstanding Bonds will be subject to redemption by the Authority at any time, in whole or in part and if in part, the principal amount of each maturity of Bonds to be redeemed shall be specified by the Borrower and, in the absence of such direction, in the inverse order of maturity and by lot within a maturity.

The Bonds are also subject to mandatory sinking fund redemption prior to maturity, at a redemption price equal to the principal amount thereof, plus accrued interest, on December 1 in the years and principal amounts set forth in the following schedule:

The Bonds are also subject to mandatory redemption prior to maturity, at a redemption price of 103% of the principal amount of the Bonds being redeemed, plus accrued interest, if any, to the redemption date, not later than 180 days after a Determination of Taxability (as defined in the Indenture). Fewer than all of the Bonds may be redeemed if redemption of fewer than all of the Bonds would result in the interest payable on the Bonds remaining Outstanding

Bonds being not includable in the gross income for Federal income tax purposes of any holder other than a "substantial user" or "related person.'

No redemption (other than mandatory sinking fund redemptions) of less than all of the Bonds at the time outstanding shall be made unless the aggregate principal amount of Bonds to be redeemed is equal to or greater than $25,000 and is an integral multiple of $5,000. If less than all of a single maturity of Bonds is to be redeemed, such Bonds shall be selected in inverse order of redemption, and by lot within a maturity, in such manner as may be designated by the Trustee. In lieu of redeeming Bonds pursuant to the provisions of the Indenture, the Trustee may, at the request of the Borrower, use such funds otherwise available under the Indenture for redemption of Bonds to purchase Bonds in the open market at a price not exceeding the redemption price then applicable under the Indenture. In the case of any optional or extraordinary redemption or any purchase and cancellation of the term Bonds, the Authority shall receive credit against its mandatory sinking fund redemption requirements with respect to such term Bonds in such order as the Borrower elects in writing prior to such optional or extraordinary redemption or purchase and cancellation or, if no such election is made, in the inverse order of maturity and by lot within a maturity.

In the event any of the Bonds are called for redemption as aforesaid, notice thereof identifying the Bonds to be redeemed will be given by mailing a copy of the redemption notice

by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the date fixed for redemption to the registered owner of each Bond to be redeemed at the address shown on the Bond Register; provided, however that failure to give such notice by mailing, or any defect in such notice or mailing as to any Bond shall not affect the validity of any proceedings for redemption as to any other Bond for which notice was adequately given. All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided sufficient funds for their redemption are on deposit at the place of payment at that time, and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture.

The Bonds are subject to defeasance of the Indenture by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, together with the income or increment to accrue thereon, without consideration of any reinvestment thereof, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on all Bonds outstanding under the Indenture at or before their respective maturity dates. The Bonds are also subject to defeasance of the Indenture by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, without consideration of any income or increment to accrue thereon, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on all Bonds outstanding under the Indenture at or before their respective maturity dates, it being understood that the investment income on such cash or noncallable Government Obligations may be used for any other purpose under the Act. Upon such payment or provision therefor, together with all other payments required under the Indenture, the Indenture may be discharged in accordance with the provisions thereof, but the Authority shall remain the obligor on all Bonds although the owners thereof and the owner hereof shall be entitled to payment solely out of such cash and funds received from such Government Obligations deposited with the Trustee.

©MOWEST BANK NOTE COMPANY, PLYMOUTH, MICH. -- LITHO

The Authority may also pay or provide for the payment of the entire indebtedness on any portion of the Bonds by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, together with the income or increment to accrue thereon, but without consideration of any reinvestment thereof, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on such portion of the Bonds at or before their respective maturity dates; or depositing with the Trustee cash, noncallable Government Obligations or both in an amount, without consideration of any income or increment to accrue thereon, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on any such portion of the Bonds at or before their respective maturity dates, it being understood that the investment income on such Government Obligations may be used for any other purpose under the Act. Upon such deposit, such portion of the Bonds shall cease to be entitled to any lien, benefit or security under the Indenture. The Authority shall remain the obligor on such portion of the Bonds, but the owners

thereof shall be entitled to payment (to the exclusion of all other Bondholders) solely out of such cash and funds received from such Government Obligations deposited with the Trustee.

The foregoing notwithstanding, none of the Bonds may be so refunded nor may the Indenture be discharged if under any circumstances such refunding or discharge would result in the loss of any exemption for purposes of federal income taxation to which interest on the Bonds would otherwise be entitled. As a condition precedent to the advance refunding of any Bonds, the Indenture requires that the Trustee receive an Opinion of Bond Counsel (as defined in the Indenture), which Opinion may be based upon a ruling or rulings of the Internal Revenue. Service, to the effect that such advance refunding will not result in the loss of any exemption for the purposes of federal income taxation to which interest on the Bonds would otherwise be entitled.

The Indenture creates a Debt Service Reserve Fund to be maintained for the benefit of the Bonds. An initial deposit will be made to the Debt Service Reserve Fund in an amount equal to the Debt Service Reserve Fund Requirement (as defined in the Indenture) upon the initial issuance of the Bonds. In lieu of maintaining and depositing moneys in the Debt Service Reserve Fund, to the extent otherwise required, the Borrower may deposit with the Trustee a letter of credit or irrevocable surety bond policy, each as more fully described in the Indenture.

In connection with any partial redemption or defeasance prior to maturity of the Bonds of any series entitled to the benefits and security of the Debt Service Reserve Fund, the Trustee may, at the request of the Borrower, use any amounts on deposit in the Debt Service Reserve Fund in excess of the Debt Service Reserve Fund Requirement after such redemption or defeasance to pay the debt service on or the redemption price of said Bonds to be redeemed or defeased or as otherwise directed by the Borrower if the Trustee has received an Opinion of Bond Counsel to the effect that such transfer would not adversely affect the exemption for the purposes of federal income taxation to which interest on the Bonds is otherwise entitled or the validity of any Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings

MIDWEST BANK NOTE COMPANY, PLYMOUTH, MICH. -- LITHO

with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all Bonds of all Series issued under the Indenture and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon.

Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

A Continuing Disclosure Agreement from the Borrower, to each registered owner and beneficial owner of any Bond, dated as of the date of issuance of the Bonds (the "Disclosure Agreement"), has been executed by the Borrower, a copy of which is available from the Authority and the terms of which are incorporated herein by this reference. The Disclosure Agreement contains certain promises of the Borrower to each registered owner and beneficial owner of any bond, including a promise to provide certain continuing disclosure. By its payment for and acceptance of this Bond, the registered owner and beneficial owners of this Bond assent to the Disclosure Agreement and to the exchange of such payment and acceptance for such promises.

It is hereby certified that all conditions, acts and things required to exist, happen and be performed under the Act and under the Indenture precedent to and in the issuance of this Bond, exist, have happened and have been performed, and that the issuance, authentication and delivery of this Bond have been duly authorized by a resolution of the Authority duly adopted.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in the Indenture contained against any past, present or future officer, director, member, employee or agent of the Authority, or any officer, director, member, trustee, employee or agent of any successor public Borrower or body politic, as such, either directly or through the Authority or any successor public Borrower or body politic, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, directors, trustees, members, employees or agents, as such, is hereby expressly waived and released as a condition of and consideration for the execution of the Indenture and the issuance of any of the Bonds.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been duly executed by the Trustee.

PRINCIPAL AMOUNT: FOUR MILLION FORTY THOUSAND DOLLARS

REGISTERED OWNER: CEDE & CO.

The ILLINOIS FINANCE AUTHORITY (the "Authority"), a body politic and corporate created under the Illinois Finance Authority Act, as amended (the "Act"), for value received, hereby promises to pay in lawful money of the United States of America to the registered owner identified above, or registered assigns, on the maturity date specified above, unless this Bond shall be redeemable and shall have previously been called for redemption and payment of the redemption price made or provided for, but solely from amounts available under the Indenture

@MOWEST BANK NOTE COMPANY, PLYMOUTH, ARCH. – LITHO

and certain amounts payable under the Loan Agreement (all as hereinafter referred to), which payments and amounts are pledged and assigned for the benefit and payment hereof pursuant to the Indenture and not otherwise, upon presentation and surrender hereof, the principal amount specified above and to pay interest on such principal amount (based on a 360-day year of twelve 30-day months) in like manner, but solely from said amounts available under the Indenture and the Loan Agreement, from the dated date hereof at the interest rate per annum specified above, payable on each June 1 and December 1, commencing June 1, 2008, until

payment of such principal amount, or provision therefor, shall have been made upon redemption or at maturity. The principal of this Bond and the premium, if any, payable upon redemption, are payable on the applicable maturity or redemption date upon presentment at the principal corporate trust office of Amalgamated Bank of Chicago, as trustee (the "Trustee"). Except as otherwise provided in the Indenture with respect to Defaulted Interest (as defined therein), interest payments hereon shall be made to the registered owner hereof appearing on the registration books of the Authority (the "Bond Register") maintained by the Trustee, as bond registrar, as of the close of business of the Trustee on the May 15 or November 15 (whether or not a Business Day) next preceding the applicable interest payment date (the "Record Date") and shall be paid by check or draft of the Trustee mailed on the applicable interest payment date to the registered owner at such owner's address as it appears on the Bond Register.

This bond is one of an authorized series of bonds issued by the Authority pursuant to the Indenture in the aggregate principal amount of $8,490,000 and designated as the Sports Facility Revenue Bonds (North Shore Ice Arena Project), Series 2008 (the "Bonds"). The Authority is issuing the Bonds for the purpose of loaning funds to North Shore Ice Arena, LLC, an Illinois limited liability company (the "Borrower"), which will be used, together with certain other moneys, to (i) pay the Borrower or to reimburse the Wilmette Hockey Association, Inc., an Illinois not for profit corporation and the sole member of the Borrower (the "Guarantor") for the cost of certain projects, (ii) establish a Debt Service Reserve Fund, (iii) pay a portion of the interest on the Bonds, and (iv) pay certain expenses incurred in connection with the issuance of the Bonds, all as permitted under the Act.

The Authority will loan the proceeds of the Bonds to the Borrower pursuant to a Loan Agreement dated as of January 1, 2008 (the "Loan Agreement") among the Borrower, the Guarantor and the Authority. The Borrower has agreed in the Loan Agreement to pay the Authority amounts sufficient to pay all amounts coming due on the Bonds and the Authority has assigned its rights to such payments under the Loan Agreement (other than Unassigned Rights, as defined in the Indenture) to the Trustee as security for the Bonds.

The Bonds are all issued under and equally and ratably secured by and entitled to the security of a Trust Indenture dated as of January 1, 2008 (the "Indenture") between the Authority and the Trustee, pursuant to which Indenture all of the right, title and interest of the Authority in and to the Loan Agreement (excluding Unassigned Rights) are assigned by the Authority to the Trustee as security for the Bonds. In addition, all or any portion of any series of Bonds may be advance refunded through a deposit in escrow for the benefit of such refunded Bonds of cash, noncallable Government Obligations (as defined in the Indenture) or both. Reference is made to the Indenture, to all indentures supplemental thereto, and to the Loan Agreement and to all

amendments thereto for the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Authority and the Trustee and the rights of the owners of the Bonds, and to all the provisions of which the owner hereof, by the acceptance of this Bond assents.

This Bond and such other Bonds of the series of which it forms a part do not constitute a debt or liability of the State or of any political subdivision thereof other than the Authority or a pledge of the faith and credit of the State or any political subdivision thereof other than the Authority, but shall be payable solely from the funds pledged therefor in accordance with the Indenture. The issuance of the Bonds under the provisions of the Act does not directly, indirectly or contingently obligate the State or any political subdivision thereof to levy any form of taxation for the payment thereof or to make any appropriation for their payment, and such Bonds and the premium, if any, and interest payable thereon do not now and shall never constitute a debt of the State within the meaning of the Constitution or the statutes of the State and do not now and shall never constitute a charge against the credit or taxing power of the State or any political subdivision thereof. The State shall not in any event be liable for the payment of the principal of, premium, if any, or interest on the Bonds or for the performance of any pledge, mortgage, obligation or agreement of any kind whatsoever which may be undertaken by the Authority. No breach by the Authority of any such pledge, mortgage, obligation or agreement may impose any liability, pecuniary or otherwise, upon the State or any charge upon its general credit or against its taxing power.

This Bond and the other Bonds, and the interest and premium, if any, payable hereon and thereon, are limited obligations of the Authority and are payable solely from (a) payments or prepayments on the Loan, (b) payments or prepayments to be made under the Loan Agreement (other than Unassigned Rights), (c) moneys and investments held by the Trustee under, and to the extent provided in, the Indenture and (d) in certain circumstances, proceeds from certain insurance and condemnation awards or proceeds from sales consummated under threat of condemnation.

This Bond is registered on the Bond Register and may be transferred by the registered owner hereof at the written request of such registered owner in person or by his duly authorized attorney, but only in the manner, subject to the limitations and upon the payment of the charges provided in the Indenture and upon surrender and cancellation of this Bond. Upon such transfer, a new fully registered Bond or Bonds, without coupons, of the same maturity and of authorized denominations for the same aggregate principal amount, shall be issued to the transferee in exchange therefor. Any Bond may be exchanged for a like aggregate principal amount of Bonds of the same maturity. The Authority and the Trustee may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal, premium, if any, and interest due hereon, and neither the Authority nor the Trustee shall be affected by any notice to the contrary. The Trustee shall not be required to register the transfer of or exchange any Bond after notice calling such Bond or portion thereof for redemption has been given

as provided in the Indenture, or during the period of 15 days next preceding the mailing of such notice of redemption with respect to any Bonds of the same maturity.

OMOWEST BANK NOTE COMPANY, PLYMOUTH, MICH.

The Bonds are issuable only as registered Bonds in denominations of $25,000 and any integral multiples of $5,000 in excess thereof.

Outstanding Bonds maturing on June 1, 2038 are also subject to redemption prior to maturity on June 1, 2008, December 1, 2008, June 1, 2009 and December 1, 2009 at the option of the Authority upon written direction of the Borrower out of amounts prepaid on the Loan and deposited in the June 1, 2038 Bond Optional Redemption Account, in whole or in part at any time, and *if* in part by portions designated by the Borrower, at the redemption price of par, plus accrued interest thereon to the date of redemption.

Outstanding Bonds maturing on December 1, 2028, June 1, 2038 and December 1, 2038 are also subject to redemption prior to maturity on or after December 1, 2018 at the option of the Authority upon written direction of the Borrower out of amounts prepaid on the Loan and deposited in the Optional Redemption Fund, in whole or in part at any time, and if in part by portions designated by the Borrower, at the redemption price of par, plus accrued interest thereon to the date of redemption.

Outstanding Bonds are also redeemable prior to maturity in the event of damage to or destruction of the Property of the Borrower or any part thereof or condemnation or sale consummated under threat of condemnation of such Property or any part thereof, if the amount of the Net Proceeds (as defined in the Loan Agreement) of insurance, condemnation or sale received in connection therewith applied to make prepayments on the Loan exceeds $1,000,000. If called for redemption in the events referred to in this paragraph, outstanding Bonds will be subject to redemption by the Authority at any time, in whole or in part and if in part, the principal amount of each maturity of Bonds to be redeemed shall be specified by the Borrower and, in the absence of such direction, in the inverse order of maturity and by lot within a maturity.

The Bonds are also subject to mandatory sinking fund redemption prior to maturity, at a redemption price equal to the principal amount thereof, plus accrued interest, on December 1 in the years and principal amounts set forth in the following schedule:

All Bonds so called for redemption will cease to bear interest on the specified redemption date, provided sufficient funds for their redemption are on deposit at the place of payment at that time, and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture.

The Bonds are subject to defeasance of the Indenture by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, together with the income or increment to accrue thereon, without consideration of any reinvestment thereof, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on all Bonds outstanding under the Indenture at or before their respective maturity dates. The Bonds are also subject to defeasance of the Indenture by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, without consideration of any income or increment to accrue thereon, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on all Bonds outstanding under the Indenture at or before their respective maturity dates, it being understood that the investment income on such cash or noncallable Government Obligations may be used for any other purpose under the Act. Upon such payment or provision therefor, together with all other payments required under the Indenture, the Indenture may be discharged in accordance with the provisions thereof, but the Authority shall remain the obligor on all Bonds although the owners thereof and the owner hereof shall be entitled to payment solely out of such cash and funds received from such Government Obligations deposited with the Trustee.

The Authority may also pay or provide for the payment of the entire indebtedness on any portion of the Bonds by depositing with the Trustee cash, noncallable Government Obligations or both in an amount, together with the income or increment to accrue thereon, but without consideration of any reinvestment thereof, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on such portion of the Bonds at or before their respective maturity dates; or depositing with the Trustee cash, noncallable Government Obligations or both in an amount, without consideration of any income or increment to accrue thereon, sufficient to pay or redeem (when redeemable) and discharge the indebtedness on any such portion of the Bonds at or before their respective maturity dates, it being understood that the investment income on such Government Obligations may be used for any other purpose under the Act. Upon such deposit, such portion of the Bonds shall cease to be entitled to any lien, benefit or security under the Indenture. The Authority shall remain the obligor on such portion of the Bonds, but the owners thereof shall be entitled to payment (to the exclusion of all other Bondholders) solely out of such cash and funds received from such Government Obligations deposited with the Trustee.

The foregoing notwithstanding, none of the Bonds may be so refunded nor may the Indenture be discharged if under any circumstances such refunding or discharge would result in. the loss of any exemption for purposes of federal income taxation to which interest on the Bonds would otherwise be entitled. As a condition precedent to the advance refunding of any Bonds, the Indenture requires that the Trustee receive an Opinion of Bond Counsel (as defined in the Indenture), which Opinion may be based upon a ruling or rulings of the Internal Revenue Service, to the effect that such advance refunding will not result in the loss of any exemption for the purposes of federal income taxation to which interest on the Bonds would otherwise be entitled.

The Indenture creates a Debt Service Reserve Fund to be maintained for the benefit of the Bonds. An initial deposit will be made to the Debt Service Reserve Fund in an amount equal to the Debt Service Reserve Fund Requirement (as defined in the Indenture) upon the initial issuance of the Bonds. In lieu of maintaining and depositing moneys in the Debt Service Reserve Fund, to the extent otherwise required, the Borrower may deposit with the Trustee a letter of credit or irrevocable surety bond policy, each as more fully described in the Indenture.

In connection with any partial redemption or defeasance prior to maturity of the Bonds of any series entitled to the benefits and security of the Debt Service Reserve Fund, the Trustee may, at the request of the Borrower, use any amounts on deposit in the Debt Service Reserve Fund in excess of the Debt Service Reserve Fund Requirement after such redemption or defeasance to pay the debt service on or the redemption price of said Bonds to be redeemed or defeased or as otherwise directed by the Borrower if the Trustee has received an Opinion of Bond Counsel to the effect that such transfer would not adversely affect the exemption for the purposes of federal income taxation to which interest on the Bonds **is** otherwise entitled or the validity of any Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under **the** Indenture, or to institute, appear in or defend any suit or other proceedings

with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all Bonds of all Series issued under the Indenture and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon.

Modifications or alterations of the Indenture, or of any supplements thereto, may be made only to the extent and in the circumstances permitted by the Indenture.

A Continuing Disclosure Agreement from the Borrower, to each registered owner and beneficial owner of any Bond, dated as of the date of issuance of the Bonds (the "Disclosure Agreement"), has been executed by the Borrower, a copy of which is available from the Authority and the terms of which are incorporated herein by this reference. The Disclosure Agreement contains certain promises of the Borrower to each registered owner and beneficial owner of any bond, including a promise to provide certain continuing disclosure. By its payment for and acceptance of this Bond, the registered owner and beneficial owners of this Bond assent to the Disclosure Agreement and to the exchange of such payment and acceptance for such promises.

It is hereby certified that all conditions, acts and things required to exist, happen and be performed under the Act and under the Indenture precedent to and in the issuance of this Bond, exist, have happened and have been performed, and that the issuance, authentication and delivery of this Bond have been duly authorized by a resolution of the Authority duly adopted.

No recourse shall be had for the payment of the principal of, premium, if any, or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in the Indenture contained against any past, present or future officer, director, member, employee or agent of the Authority, or any officer, director, member, trustee, employee or agent of any successor public Borrower or body politic, as such, either directly or through the Authority or any successor public Borrower or body politic, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, directors, trustees, members, employees or agents, as such, is hereby expressly waived and released as a condition of and consideration for the execution of the Indenture and the issuance of any of the Bonds.

This Bond shall not be valid or become obligatory for any purpose or be entitled to

any security or benefit under the Indenture until the certificate of authentication hereon shall have been duly executed by the Trustee.
