FOURTH AMENDMENT

TO

GROUND LEASE

FOR

REAL ESTATE PARCEL EC-2C

BETWEEN

PARCEL EC-2C LLC, as Lessor

AND

NORTH SHORE ICE ARENA, LLC, an Illinois limited liability company, as Lessee

DATED AS OF: April 1, 2020

FOURTH AMENDMENT TO GROUND LEASE

This FOURTH AMENDMENT TO GROUND LEASE (this "Fourth Amendment") is made effective as of April 1, 2020 ("Effective Date") by and between **PARCEL EC-2C LLC**, an Illinois limited liability company ("Lessor"), successor lessor to CHICAGO TITLE LAND TRUST COMPANY, not personally, but solely as Trustee under a Trust Agreement dated as of December 1, 2007 and known as Trust No. 1114334 ("Original Lessor"), and **NORTH SHORE ICE ARENA, LLC**, an Illinois limited liability company ("Lessee").

RECITALS

A. Original Lessor and Lessee entered into that certain Ground Lease dated as of December 1, 2007 ("Original Ground Lease"), a Short Form and Memorandum of which was recorded on January 31, 2008 in the Office of the Recorder of Deeds of Cook County, Illinois as Document No. 0803133011, and pursuant to which Lessee leased from Lessor the premises legally described on Exhibit A to the Original Ground Lease, being the same premises legally described on Exhibit A attached hereto.

B. The Original Ground Lease was amended by that certain First Amendment to Ground Lease dated as of February 5, 2010 ("First Amendment"), by that certain Second Amendment to Ground Lease dated as of September 1, 2012 ("Second Amendment"), and by that certain Third Amendment to Ground Lease dated as of December 22, 2015 ("Third Amendment"); said Original Ground Lease as amended by the First Amendment, the Second Amendment, and the Third Amendment, being herein referred to as the "Current Ground Lease"). The First Amendment provided (at the request of Lessee) certain relief from the full Base Rent required by the Original Ground Lease due to construction defects and construction cost overruns related to the development of the Project leading to higher than anticipated costs and lower than anticipated revenues for the Project. The Second Amendment provided (at the request of Lessee) certain additional relief in the form of a deferral of the Full Base Rent required to be paid under the Original Ground Lease, as amended by the First Amendment, on account of unexpectedly high prior year real estate taxes and ongoing operating expenses. The Third Amendment modified the Permitted Use for the Premises.

C. Lessee has again requested additional relief in the form of an extended deferral of certain amounts of Base Rent required to be paid under the Current Ground Lease, a portion of which is a direct result of the cancellation (or shortened) Spring 2020 youth hockey league due to the COVID-19 pandemic, and Lessor has agreed to grant certain temporary additional relief to Lessee on the conditions set forth in this Fourth Amendment.

Accordingly, in consideration of their mutual agreements set forth herein, Lessor and Lessee hereby agree as follows:

1. **Defined Terms.** All capitalized terms used but not defined in this Fourth Amendment shall have the same meanings as in the Current Ground Lease, unless otherwise expressly provided in this Fourth Amendment. In addition, from and after the date hereof, the

term "Ground Lease" as used in the Current Ground Lease and this Fourth Amendment shall mean and include the Current Ground Lease, as amended by this Fourth Amendment.

2. **Amendment of Section 3.1.1 of Ground Lease.** Effective as of the Effective Date, Section 3.1.1 of the Current Ground Lease is hereby deleted in its entirety and replaced with the following:

3.1.1 Initial Base Rent; Base Rent.

(a) Schedule of Base Rent. Commencing as of the Commencement Date through and including the earlier of the date that the Project has been Substantially Completed and the Hockey Clubs are using the Project or September 1, 2008 ("**Construction Period**"), Lessee shall pay monthly, in advance, initial base ground rent in an amount equal to Two Thousand Eighty Three and 33/100 Dollars ($2,083.33) ("**Initial Base Rent**"). The monthly Initial Base Rent amount shall be prorated for partial months between the Commencement Date and end of the Construction Period. Commencing as of the next day following the end of the Construction Period ("**Base Rent Commencement Date**"), Lessee shall pay Base Rent, on a monthly basis, in advance, on the first day of each and every month in the applicable amounts set forth in the following Schedule of Base Rent. Beginning on the Base Rent Commencement Date, Base Rent shall be payable at a rate of Sixteen Thousand Six Hundred Sixty-Six and 67/100 Dollars ($16,666.67) per month. The monthly Base Rent amount shall be prorated for partial months between the Base Rent Commencement Date and the beginning of the first Lease Year.

(b) Partial Abatement of Base Rent. Notwithstanding the provisions of Section 3.1.1(a), Lessee shall be entitled to an abatement of Base Rent in an amount that equals a total of One Hundred Thousand and 08/100 Dollars ($100,000.08) against the monthly installments of Base Rent paid during the Term commencing as of the Base Rent Commencement Date as an accommodation by Lessor with respect to the anticipated additional costs Lessee will incur to remediate the known soil conditions on Parcel EC-2C. The foregoing abatement shall be earned on a monthly basis by Lessee beginning as of the first day of the calendar month following Substantial Completion of the Initial Project, and Lessee shall, subject to the last sentence of this paragraph, be entitled to deduct from the monthly payments of Base Rent set forth in the Schedule of Base Rent the appropriate amount set forth in the following table:

Months	Monthly Abatement	Total Annual Abatement

(c) Additional Partial Abatement of Base Rent on Account of COVID-19 Pandemic. Notwithstanding the provisions of Section 3.1.1(a) and Section 3.1(b), Lessee shall be entitled to an additional abatement of Base Rent in an amount that equals a total of Seventy-One Thousand Five Hundred and 02/100 Dollars ($71,500.02) against the monthly installments of Base Rent paid during the Term commencing as of the monthly Base Rent payment due April 1, 2020 and continuing through the monthly Base Rent Payment due June 1, 2020 as an accommodation by Lessor with respect to the anticipated reduced revenue Lessee expects to receive as a direct result of the cancellation (or shortened) Spring 2020 youth hockey league due to the COVID-19 pandemic ("COVID-19 Abatements"). Lessee shall be entitled to deduct from the monthly payments of Base Rent set forth in the Schedule of Base Rent the following amounts of COVID-19 Abatements as are set forth in the following table:

(d) Base Rent Beginning with Rent Adjustment Date. Base Rent for the remainder of the Initial Term beginning with the Rent Adjustment Date shall be determined in accordance with Sections 3.1.2, 3.1.3 and 3.1.4 below.

3. **Interest on Deferred Portion of Base Rent.** In addition to the monthly payments of Base Rent set forth in Section 3.1.1(a) of the Ground Lease (as set forth in this Fourth Amendment), from and after September 1, 2020, and as Additional Rent under the Ground Lease, Lessee shall pay interest on the cumulative amount of the deferred portion of the Base Rent (meaning the cumulative difference between the Base Rent that would have been payable under Section 3.1.1 of the Original Ground Lease, as amended by the Second Amendment, and the Base Rent payable under Section 3.1.1 of the Ground Lease (as set forth in Section 2 of this Fourth Amendment) in accordance with the table set forth below.

4. **Amendments to Section 3 of Second Amendment.** Section 3 of the Second Amendment is hereby amended and restated to read as follows:

3. **Additional Base Rent Payments Required Where Cash Flow Exceeds Certain Amounts.**

(a) Catch-Up Payments. Notwithstanding anything contained in Section 3.1.1 of the Ground Lease, if (i) Lessee receives revenues from a shortened Spring 2020 youth hockey league, Lessee shall promptly pay to Lessor such portion of the revenues from the Spring 2020 youth hockey league as Lessee receives up to the total of the COVID-19 Abatements or shall not be entitled to deduct any further monthly amounts of COVID-19 Abatements after the Spring 2020 youth hockey league payments have been received by Lessee, or (ii) during any fiscal year of Lessee that ends at any time prior to September 1, 2037 (i.e., prior to the commencement of Lease Year 30 (9/1/37-8/31/38)), the "Cash Available after Debt Service" as set forth in an Actual Cash Flow Statement for such

fiscal year exceeds $50,000.00, the Actual Cash Flow Statement provided to Lessor shall be accompanied by a payment of additional Base Rent in an amount equal to the Cash Available after Debt Service less $50,000.00 (any payment made or required to be made pursuant to clause (i) or (ii) above, a "Catch-Up Payment"). Each Catch-Up Payment (including any amount not abated on account of the commencement of the Spring 2020 youth hockey league) shall be credited by Lessor as a prepayment of the deferred portion of the Base Rent payable in Lease Year 30 until the total prepayments of deferred Base Rent for Lease Year 30 equal $71,500.42. Thereafter, any additional Catch-Up Payments shall be credited by Lessor as a prepayment of the deferred portion of the Base Rent payable in Lease Year 29 until the total prepayments of deferred Base Rent for Lease Year 29 equal $90,228.12. Thereafter, any additional Catch-Up Payments shall be credited by Lessor as a prepayment of the deferred portion of Base Rent payable in Lease Year 28 until the total Catch-Up Payments of deferred Base Rent for Lease Year 28 equal $90,228.12. Thereafter, any additional Catch-Up Payments shall be credited by Lessor as a prepayment of the deferred portion of Base Rent payable in Lease Year 27 until the total Catch-Up Payments of deferred Base Rent for Lease Year 27 equal $53,882.12. Thereafter, any additional Catch-Up Payments shall be credited by Lessor as a prepayment of the deferred portion of the Base Rent payable in Lease Year 26 until the total Catch-Up Payments of deferred Base Rent for Lease Year 26 equal $58,973.12. Thereafter, any additional Catch-Up Payments shall be credited by Lessor as a prepayment of the deferred portion of the Base Rent payable in Lease Year 25 until the total Catch-Up Payments of deferred Base Rent for Lease Year 25 equal $82,699.12. Thereafter, any additional Catch-Up Payments shall be credited by Lessor as a prepayment of the deferred portion of the Base Rent payable in Lease Year 24 until the total Catch-Up Payments of deferred Base Rent for Lease Year 24 equal $51,356.00. Such obligation to make Catch-Up Payments shall continue only until such time as the total of all Catch-Up Payments equals the cumulative amount of deferred Base Rent represented by the Schedule of Base Rent set forth in Section 3.1.1(a) of the Ground Lease, which is equal to $498,867.02 ($71,500.42 + $90,228.12 + $90,228.12 + $53,882.12 + $58,973.12 + $82,699.12 + $51,356.00) ("Catch-Up Point").

(b) Request for Relief from Obligation to Make a Catch-Up Payment. So long as Lessee is not in Default under the Ground Lease at the time any Catch-Up Payment would otherwise be due, if Lessee believes, after calculation of the amount of any Catch-Up Payment, that Lessee has a need for all or any portion of the Catch-Up Payment that would otherwise be due to Lessor in order to fund any major repairs or capital improvements to the Project that cannot be paid for using amounts then on deposit in the Building Repair Reserve Fund (a/k/a Repair and Replacement Fund) and other cash on hand then held by Lessee, as evidenced by the most recent updated Capital Repair and Replacement Budget (hereinafter defined) provided to Lessor and Lessee's then current balance sheet (which Lessee shall update if necessary to the end of such fiscal year), then Lessee shall have the right to request in writing (i) a waiver of the obligation to make all or any portion the Catch-Up Payment that would otherwise be due, which written request shall include an explanation of the proposed major repairs or capital improvements for which Lessee proposes such Catch-Up Payment be used, and (ii) a meeting with a designated representative of Lessor's Beneficiary to explain such proposed uses and the documentation provided to Lessor. Lessor's Beneficiary shall grant the request for a

meeting and following such meeting Lessor's Beneficiary shall take such request under advisement and within thirty (30) days shall determine whether to grant the request of Lessee to withhold all or any portion of the Catch-Up Payment to be used for the purposes set forth in the written request. If such request is granted, the Catch-Up Payment (or portion thereof) shall be used by Lessee strictly for the purposes set forth in the written request and Lessee shall provide a follow-up report to Lessor upon completion of such repairs or capital improvements to the Project demonstrating to Lessor's reasonable satisfaction that Lessee has complied with such request. If such request is denied, such determination shall be final and Lessee shall make the Catch-Up Payment.

5. **Amendments to Additional Requirements to Be Met by Lessee.** Section 4 of the Second Amendment is amended as follows:

(a) Date on Which Additional Requirements Expire. The date "September 1, 2031" in the fourth line of Section 4 of the Second Amendment is changed to read "September 1, 2038."

(b) Amendment to Section 4(a) of the Second Amendment. The words "Make-Up Payments" in the last line of Section 4(a) of the Second Amendment is hereby changed to "Catch-Up Payments." In addition, Lessee has provided to Lessor new Cash Flow Projections for Lessee's Fiscal 2020 through Fiscal 2039 that are attached to this Fourth Amendment as Exhibit B ("Updated Cash Flow Projections"). The Updated Cash Flow Projections were prepared prior to and do not reflect the anticipated reduction in cash flow due to the direct result of the cancellation (or shortened) Spring 2020 youth hockey league due to the COVID-19 pandemic.

(c) Amendment to Section 4(d) of the Second Amendment. The last sentence of Section 4(d) of the Second Amendment is amended to read as follows:

> No later than May 31, 2023, if Lessee has not yet reached the Catch-Up Point, Lessee shall provide evidence to Lessor that WHA and WHC have each entered into new contracts having a term expiring no earlier than the end of Lease Year 32 (9/1/39-8/31/40) with Annual Contract Amounts payable during Fiscal 2039 for both WHA and WHC combined that together with other then projected Contract Ice Sales from other parties are sufficient for the Contract Ice Sales projected revenues set forth in the Updated Cash Flow Projections for Fiscal Years 2024 through 2039 to be met.

6. **WHA and WHC Guaranty.** WHA and WHC shall remain obligated under terms and provisions of the Guaranty of Payment and Performance of Ground Lease Obligations executed by WHA and WHC as of the date of the Second Amendment and delivered to Lessor concurrently with the Second Amendment ("Existing Guaranty"), except as amended as provided in this Fourth Amendment. In order to confirm WHA's and WHC's obligations under the Existing Guaranty extend to the Ground Lease Obligations, as amended by this Fourth Amendment, WHA and WHC shall execute and deliver the Joinder to this Fourth Amendment.

As provided in the Second Amendment, each guarantor shall be liable for only fifty percent (50%) of any obligation under the Existing Guaranty (as amended by said Joinder) and shall not be jointly or severally liable thereunder, but Lessee understands and agrees that if and to the extent the failure by WHA and WHC to fund the full amount of any such obligation results in a failure by Lessee to cure any Default under the Ground Lease, such Default may become an Event of Default, upon which Lessor shall be entitled to exercise its rights and remedies provided for in the Ground Lease on account of such Event of Default.

7. **Addresses and Addressees for Notices to Lessor and Lessee.** The addresses and addressees for notices to Lessor and Lessee set forth in Section 24.1 of the Original Lease are hereby amended to read as follows:

9. **Governing Law.** This Fourth Amendment shall be governed by the laws of the State of Illinois, as may be amended from time to time, without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than the State of Illinois.
