CERTIFICATE OF BORROWER

THIS CERTIFICATE OF BORROWER is made January 25, 2008. The undersigned, Charles O. Smith and Alan B. Roth, hereby certify that we are each duly qualified and acting managers of North Shore Ice Arena, LLC, an Illinois limited liability company (the "Company"), that Charles O. Smith is also the President of the Company, and that as such managers and officers we are familiar with the Company's properties, affairs and records. The undersigned hereby make the following certifications in connection with the issuance by Illinois Finance Authority (the "Issuer") of the Issuer's Sports Facility Revenue Bonds (North Shore Ice Arena Project), Series 2008, issued in the aggregate principal amount of $8,490,000 (the "Bonds"), pursuant to a Trust Indenture (the "Indenture"), dated January 1, 2008, between the Issuer and Amalgamated Bank of Chicago, as trustee:

1. The Company is an Illinois limited liability company, duly organized, validly existing and qualified to do business under the laws of the State of Illinois (attached as Exhibit A is a recent Good Standing Certificate pertaining to the Company issued by the Secretary of State of the State of Illinois). Attached as Exhibit B is a true, correct and complete copy of the Articles of Organization of the Company, which were filed with the Illinois Secretary of State's Office on or about February 2, 2007, and all amendments thereto. There have been no other changes to such Articles and such Articles were in full force and effect on the date of adoption of the Resolutions referred to in paragraph 3 hereof and are in full force and effect on the date hereof.

2. The sole member of the Company is Wilmette Hockey Association, Inc. ("Wilmette Hockey Association").

3. Attached as Exhibit C are true, correct and complete copies of certain resolutions adopted by the board of directors of the sole member of the Company and by the sole member of the Company, authorizing the financing of the Project (as defined in the Loan Agreement identified below) with the proceeds of the Bonds and the execution of the certificates and documents relating to the Bonds (the "Resolutions"). Said Resolutions have not been amended, altered or repealed, but the same and each and every part thereof is in full force and effect on the date hereof.

4. Each of the following documents has been duly executed and delivered by the Company:

a. Loan Agreement

b. Leasehold Mortgage, Assignment of Leases and Rents, Security Agreement and Fixture Filing

c. Tax Exemption Certificate and Agreement

d. Certificate Regarding the Project and the Expenditure of Funds

e. Bond Purchase Agreement

f. Preliminary Limited Offering Memorandum Relating to the Bonds

g. Limited Offering Memorandum Relating to the Bonds

h. Continuing Disclosure Agreement

Such documents, together with all other agreements, documents and certificates as may be required to be executed and delivered by the Company to carry out, give effect to and consummate the transactions contemplated by the Bond Purchase Agreement relating to the Bonds are sometimes collectively referred to herein as the "Documents."

5. The Company has full legal right, power and authority to enter into the Documents and to carry out and effectuate the transactions contemplated by the Documents.

6. No consent, approval, authorization or order of, or filing, registration or declaration with, any court or governmental agency or body is required on behalf of the Company for the execution, delivery and performance by the Company of the Documents or the consummation of the other transactions effected or contemplated thereby.

7. The execution and delivery of each of the Documents and the performance by the Company of its obligations thereunder do not and will not violate the Articles of Organization or any Operating Agreement, if any, of the Company or any court order by which the Company is bound, and such actions do not and will not constitute a default under any agreement, indenture, mortgage, lease, note or other obligation or instrument to which the Company is a party, and all approvals and other action required by any governmental authority or agency in connection therewith have been obtained.

8. Each of the Company's representations and warranties contained in all of the Documents is true and correct in all material respects on and as of the date hereof.

9. There is no action, suit, proceeding, inquiry or investigation, at law or in equity or before or by any public board or body pending or, to the best knowledge of the Company, threatened against or affecting the Company or its property or, to the best knowledge of the Company, any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect (i) the transactions contemplated by any Company Document, (ii) the validity or enforceability of the Bonds or any Document, (iii) the exemption of Wilmette Hockey Association from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), or (iv) the operations or financial condition of the Company.

10. The Company is a limited liability company, the sole member of which is

Wilmette Hockey Association. The Company has not elected, nor will the Company elect to be treated as a corporation for federal tax purposes. The Company is organized and operated for the purpose of carrying out the charitable purposes of Wilmette Hockey Association.

11. Wilmette Hockey Association is an organization described in Section 501(c)(3) of the Code, is exempt from Federal income taxes under Section 501(a) of the Code, and is not a "private foundation" within the meaning of Section 509(a) of the Code. At all times on and after the date hereof, the Company is expected to be, and Wilmette Hockey Association is expected to be treated for federal tax purposes as, the sole owners and users of the Project. To our knowledge, there has been no material change or threatened change in the status of Wilmette Hockey Association an organization described in Section 501(c)(3) of the Code.

12. No more than 5% of the net proceeds of the Tax Exempt Bonds (including the 2% thereof used for costs of issuance) are to be used for any trade or business carried on by any person who is not (a) a governmental unit or (b) an organization described in Section 501(c)(3) of the Code and exempt from tax under Section 501(a), but only with respect to a trade or business which is not an unrelated trade or business determined by applying Section 513(a) to such organization (any person described in (a) or (b), an "Exempt Person"). Further, no more than 5% of the net proceeds of the Tax Exempt Bonds is (under the terms of the Tax Exempt Bonds or any underlying arrangement) directly or indirectly (x) secured by an interest in property used or to be used in a trade or business carried on by a person who is not an Exempt Person or payments in respect of such property or (y) to be derived from payments (whether or not to any Borrower or the Issuer) in respect of property, or borrowed money, used or to be used for a trade or business carried on by a person who is not an Exempt Person.

13. The Company reasonably expects, as of the date hereof, that the Project will be used for its exempt purpose until the final maturity of the Tax Exempt Bonds and will not meet the private business test.

14. The Project will not be used by any person (other than an Exempt Person) whose relationship with the Company is such that any item of property comprising the Project would be considered used in the trade or business of a non-Exempt Person under Revenue Procedure 97-13, as such Revenue Procedure may be modified or superseded, or any other provision of the Code or the Regulations, if that use will cause the limits described in Paragraph 12 above to be exceeded and will cause interest on the Tax Exempt Bonds to lose the exclusion from gross income for federal income tax purposes.

15. The Company has duly authorized, by all necessary action, the execution, delivery and due performance by the Company of the Documents.

16. Assuming due authorization, execution and delivery by the other parties thereto, the Documents constitute legal, valid and binding obligations of the Company enforceable against the Company in accordance with their respective terms, subject to any applicable bankruptcy, insolvency, reorganization or similar laws affecting the

enforcement of creditors' rights generally and general principles of equity.

17. The persons named below are, at the date hereof, and were on the dates of their respective execution of the Documents, the duly elected, qualified and acting incumbents of their respective offices of Wilmette Hockey Association which are set out at the left of their respective names, and the signatures of such persons on the signature page of this Certificate above their names, are the genuine signatures of said officers:

Title	**Name**
Manager, President	Charles O. Smith
Manager	Alan B. Roth

18. To our knowledge, as of the date hereof, no default or event of default has occurred and is continuing, and no event has occurred and is continuing which with the lapse of time or the giving of notice, or both, would constitute a default or an event of default under any of the Documents or any of the other documents contemplated in any of the Documents or any other material agreement or material instrument to which the Company is a party or by which the Company is or may be bound or to which any of the property of the Company is or may be subject, including all such agreements or instruments to which the Issuer is a party.

19. To our knowledge, the Company has obtained, or for those licenses not issuable until it constructs the Project, has no reason to believe it will not obtain, all material permits and licenses required to be obtained to operate the Facilities, and all licenses, permits, certifications, accreditations and qualifications required to own and operate any other property it owns as such property is presently operated.

20. The Company will use its best efforts to obtain, as soon as practical after it constructs the Facilities, all licenses, permits, certifications, accreditations and qualifications that are required to own and operate the Facilities.

21. To our knowledge, the Property is appropriately zoned for the purposes for which such property is to be used by the Company, and its use by the Company will be in full compliance with applicable zoning, land use and similar laws, ordinances and regulations, except in either case, to the extent that the Company has applied for and been granted zoning variances.

22. To our knowledge, upon the issuance of the Bonds, the Company shall have a leasehold interest in the Property, free and clear of all defects, liens, and encumbrances except for minor defects, liens and encumbrances, if any, now existing with respect to such property which do not and will not materially adversely affect the value of the property currently effected thereby, or materially impair or interfere with the operation and usefulness of such property for the purpose for which is was acquired and is held by the Company and except for the exceptions shown on Schedule B to the title insurance commitment and policy delivered as a part of the transcript of proceedings of which this Certificate is a part.

23. The financial information set forth in the Preliminary Limited Offering Memorandum, dated January 9, 2008 (the "Preliminary Limited Offering Memorandum"), the Supplement to Limited Offering Memorandum, dated January 11, 2008 (the "Supplement to Limited Offering Memorandum"), and the Limited Offering Memorandum, dated January 17, 2008 relating to the Bonds (together with the Preliminary Limited Offering Memorandum, and the Supplement to Limited Offering Memorandum, the "Limited Offering Memorandum"), including but not limited to the statements as to the sources and use of funds and the financial forecasts, is true and accurate.

24. The assumptions, forecasts and projections with respect to the Company's operation of the Facilities as set forth in the Limited Offering Memorandum, and in the Feasibility Study (the "Feasibility Study") which are included in the Limited Offering Memorandum, are reasonable. There has been included in the Limited Offering Memorandum all material information and full disclosure of all relevant information known to the Company concerning any legal proceedings against the Company. As of the date hereof, there has been no material change to the information provided by the Company to the feasibility consultant in connection with the Feasibility Study.

25. As of the date hereof, the information in the Limited Offering Memorandum concerning Wilmette Hockey Association, the Company and the Facilities is true and correct in all material respects and does not contain any untrue statement of a material fact and does not omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

26. The representations and warranties of the Borrower contained in the Bond Purchase Agreement dated January 17, 2008 (the "Bond Purchase Agreement"), among the Issuer, the Borrower, Wilmette Hockey Association, Winnetka Hockey Club, Inc. ("Winnetka Hockey Club") and Oppenheimer & Co. Inc. (the "Underwriter") are true and accurate as of the date hereof. The Borrower has complied with all agreements and satisfied all conditions on its part to be observed or satisfied under the Bond Purchase Agreement and under the Indenture at or prior to the date hereof. Since the respective dates as of which information is given in the Limited Offering Memorandum relating to the Bonds, there has not been any material adverse change in the condition, financial or other of the Borrower. The Documents are in full force and effect and have not been revoked, altered or amended.

27. All capitalized terms that are not otherwise defined herein shall have the meanings ascribed to such terms in the Indenture and the Loan Agreement.
