SECOND AMENDMENT

TO

GROUND LEASE

FOR

REAL ESTATE PARCEL EC-2C

BETWEEN

CHICAGO TITLE LAND TRUST COMPANY, AS TRUSTEE UNDER TRUST AGREEMENT DATED AS OF DECEMBER 1, 2007 AND KNOWN AS TRUST NO. 1114334, as Lessor

AND

NORTH SHORE ICE ARENA, LLC, an Illinois limited liability company, as Lessee

DATED AS OF: September 1, 2012

SECOND AMENDMENT TO GROUND LEASE

This SECOND AMENDMENT TO GROUND LEASE (this "Amendment") is made effective as of September 1, 2012 ("Effective Date") by and between **CHICAGO TITLE LAND TRUST COMPANY**, not personally, but solely as Trustee under a Trust Agreement dated as of December 1, 2007 and known as Trust No. 1114334 ("Lessor"), and **NORTH SHORE ICE ARENA, LLC**, an Illinois limited liability company ("Lessee").

RECITALS

A. Lessor and Lessee entered into that certain Ground Lease dated as of December 1, 2007 ("Original Ground Lease"), a Short Form and Memorandum of which was recorded on January 31, 2008 in the Office of the Recorder of Deeds of Cook County, Illinois as Document No. 0803133011, and pursuant to which Lessee leased from Lessor the premises legally described on Exhibit A to the Original Ground Lease, being the same premises legally described on Exhibit A attached hereto.

B. The Original Ground Lease was amended by that certain First Amendment to Ground Lease dated as of February 5, 2010 ("First Amendment"; and together with the Original Ground Lease, the "Current Ground Lease"), which provided at the request of Lessee certain relief from the full Base Rent required by the Original Ground Lease due to construction defects and construction cost overruns related to the development of the Project leading to higher than anticipated costs and lower than anticipated revenues for the Project.

C. Lessee has again requested additional relief from the Base Rent presently required under the Current Ground Lease by virtue of the First Amendment on account of unexpectedly high prior year real estate taxes and ongoing operating expenses, and Lessor and Lessor's Beneficiary have agreed to grant certain temporary additional relief to Lessee on the conditions set forth in this Second Amendment.

Accordingly, in consideration of their mutual agreements set forth herein, Lessor and Lessee hereby agree as follows:

1. **Defined Terms.** All capitalized terms used but not defined in this Second Amendment shall have the same meanings as in the Current Ground Lease, unless otherwise expressly provided in this Second Amendment. In addition, from and after the date hereof, the term "Ground Lease" as used in the Current Ground Lease and this Second Amendment shall mean and include the Current Ground Lease, as amended by this Second Amendment.

2. **Section 3.1.1.** Effective as of the Effective Date, Section 3.1.1 of the Original Ground Lease is hereby deleted in its entirety and replaced with the following:

> 3.1.1 Initial Base Rent; Base Rent. Commencing as of the Commencement Date through and including the earlier of the date that the Project has been Substantially Completed and the Hockey Clubs are using the Project or September 1, 2008 ("**Construction Period**"), Lessee shall pay monthly, in advance, initial base ground rent in an amount equal to Two Thousand Eighty Three and 33/100 Dollars ($2,083.33) ("**Initial Base Rent**"). The monthly Initial Base Rent amount shall be prorated for

partial months between the Commencement Date and end of the Construction Period. Commencing as of the next day following the end of the Construction Period ("**Base Rent Commencement Date**"), Lessee shall pay Base Rent, on a monthly basis, in advance, on the first day of each and every month in the applicable amounts set forth in the following Schedule of Base Rent. Beginning on the Base Rent Commencement Date, Base Rent shall be payable at a rate of Sixteen Thousand Six Hundred Sixty-Six and 67/100 Dollars ($16,666.67) per month. The monthly Base Rent amount shall be prorated for partial months between the Base Rent Commencement Date and the beginning of the first Lease Year.

Base Rent for the remainder of the Initial Term shall be determined in accordance with Sections 3.1.2, 3.1.3 and 3.1.4 below. Notwithstanding the foregoing, Lessee shall be entitled to an abatement of Base Rent in an amount that equals a total of One Hundred Thousand and 08/100 Dollars ($100,000.08) against the monthly installments of Base Rent paid during the Term commencing as of the Base Rent Commencement Date as an accommodation by Lessor with respect to the anticipated additional costs Lessee will incur to remediate the known soil conditions on Parcel EC-2C. The foregoing abatement shall be earned on a monthly basis by Lessee beginning as of the first day of the calendar month following Substantial Completion of the Initial Project, and Lessee shall, subject to the last sentence of this paragraph, be entitled to deduct from the monthly payments of Base Rent set forth in the Schedule of Base Rent the appropriate amount set forth in the following table:

Total All Abatements		$ 100,000.08

In no event shall Lessee be entitled to such abatement if a Default exists under this Lease at any time such abatement is due and in no event shall Lessee be entitled to any abatement in excess of the total abatement set forth above, regardless of whether the costs to remediate any soil conditions exceed the amount of the abatement or Lessee incurs other additional unanticipated costs in connection with the construction of the Initial Project or for any other reason.

3. **Additional Base Rent Payments Required Where Cash Flow Exceeds Certain Amounts.** Notwithstanding anything contained in Section 3.1.1 of the Ground Lease, as amended as set forth in Section 2 of this Second Amendment, if during any fiscal year of Lessee that ends at any time prior to September 1, 2031 (i.e., the commencement of Lease Year 24 (9/1/31-8/31/32)), the "Cash Available after Debt Service" as set forth in an Actual Cash Flow Statement for such fiscal year exceeds $50,000.00, the Actual Cash Flow Statement provided to Lessor shall be accompanied by a payment of additional Base Rent in an amount equal to the Cash Available after Debt Service less $50,000.00 ("Catch-Up Payment"). Each Catch-Up Payment shall be credited by Lessor as a prepayment of the Base Rent payable in Lease Year 23 until the total prepayments of Base Rent for Lease Year 23 equal $128,058.72. Thereafter, any additional Catch-Up Payments shall be credited by Lessor as a prepayment of the Base Rent payable in Lease Year 22 until the total prepayments of Base Rent for Lease Year 22 equal $92,698.68. Thereafter, any additional Catch-Up Payments shall be credited by Lessor as a

prepayment of the Base Rent payable in Lease Year 21 until the total prepayments of Base Rent for Lease Year 21 equal $92,698.68. Thereafter, any additional Catch-Up Payments shall be credited by Lessor as a prepayment of the Base Rent payable in Lease Year 20 until the total prepayments of Base Rent for Lease Year 20 equal $138,324.96. Thereafter, any additional Catch-Up Payments shall be credited by Lessor as a prepayment of the Base Rent payable in Lease Year 19 until the total prepayments of Base Rent for Lease Year 19 equal $138,324.96. Such obligation to make prepayment shall continue only until such time as the total of the Base Rent prepayments has reduced all remaining Base Rent payable in future years to the amounts that would have been payable for such Lease Years under Section 3.1.1 as set forth in the First Amendment ("Catch-Up Point"). So long as Lessee is not in Default under the Ground Lease at such time, if Lessee believes, after calculation of the amount of any Catch-Up Payment, that Lessee has a need for all or any portion of the Catch-Up Payment that would otherwise be due to Lessor in order to fund any major repairs or capital improvements to the Project that cannot be paid for using amounts then on deposit in the Building Repair Reserve Fund (a/k/a Repair and Replacement Fund) and other cash on hand then held by Lessee, as evidenced by the most recent updated Capital Repair and Replacement Budget (hereinafter defined) provided to Lessor and Lessee's then current balance sheet (which Lessee shall update if necessary to the end of such fiscal year), then Lessee shall have the right to request in writing (i) a waiver of the obligation to make all or any portion the Catch-Up Payment that would otherwise be due, which written request shall include an explanation of the proposed major repairs or capital improvements for which Lessee proposes such Catch-Up Payment be used, and (ii) a meeting with a designated representative of Lessor's Beneficiary to explain such proposed uses and the documentation provided to Lessor. Lessor's Beneficiary shall grant the request for a meeting and following such meeting Lessor's Beneficiary shall take such request under advisement and within thirty (30) days shall determine whether to grant the request of Lessee to withhold all or any portion of the Catch-Up Payment to be used for the purposes set forth in the written request. If such request is granted, the Catch-Up Payment (or portion thereof) shall be used by Lessee strictly for the purposes set forth in the written request and Lessee shall provide a follow-up report to Lessor upon completion of such repairs or capital improvements to the Project demonstrating to Lessor's reasonable satisfaction that Lessee has complied with such request. If such request is denied, such determination shall be final and Lessee shall make the Catch-Up Payment.

4. **Additional Requirements to Be Met by Lessee.** The following conditions shall be met by Lessee at all times during the term of the Ground Lease from and after the Effective Date of this Second Amendment and until such time as the first to occur of (x) the date on which Lessee has reached the Catch-Up Point, or (y) September 1, 2031:

(a) Current Cash Flow Projections; Capital Contributions. Lessee has provided to Lessor the cash flow projections for Lessee's fiscal years 2012-2013 (7/1/12-6/30/12) through 2031-2032 (7/1/31-6/30/32) that are attached hereto as Exhibit B ("Cash Flow Projections"), which show, among other items, that the cash available to Lessee after payment of debt service due to Amalgamated Bank of Chicago, as trustee ("Amalgamated"), as mortgagee under the Current Leasehold Mortgage (as defined in Exhibit D attached hereto), for Lessee's fiscal year 2012-2013 is projected to be a negative $163,528 ("Deficit"). In order to fund such Deficit, Lessee's members, Wilmette Hockey Association, Inc. ("WHA") and Winnetka Hockey Club, Inc. ("WHC"), shall each contribute fifty percent (50%) of the Deficit as and when needed in

order to (i) continue to operate the Project in the manner contemplated by the Cash Flow Projections, (ii) pay Lessee's operating expenses, including all maintenance and repairs to the Project (to the extent not reimbursed from the Building Repair Reserve Fund a/k/a the Building Repair Reserve Fund established under the Financing Documents), and (iii) otherwise satisfy the requirements of the Financing Documents (as such term is hereinafter defined). Neither WHA or WHC shall be required by Lessor to fund more than fifty percent (50%) of any Deficit, but Lessee understands and agrees that to the extent the failure by WHA and WHC to fund a sufficient amount causes a default to occur under the Financing Documents, such default shall be a Default under the Ground Lease. In no event shall Lessee return any capital or other amounts contributed or lent to Lessee by Lessee's members (whether during fiscal year 2012-2013, any prior fiscal years or in any future years) prior to the date when Lessee has completed the payment to Lessor of all Make-Up Payments and has reached the Catch-Up Point.

(b) Annual Financial Reporting. In order to provide Lessor with evidence Lessee has satisfied the prohibition on returning capital contributions set forth in Section 3(a) above and to otherwise satisfy Lessor as to the financial condition of Lessee and Lessee's compliance with the obligations under the Current Leasehold Mortgage and related financing documents, including without limitation those documents identified on Exhibit D attached hereto (collectively, the "Financing Documents"), Lessee shall provide the following to Lessor:

(i) within one hundred twenty (120) days following the end of each of Lessee's fiscal years, (1) a copy of the audited financial statements of Lessee that include the following: (x) balance sheet; (y) income statement; and (z) statement of sources and uses of cash, which shall be prepared by an independent certified public accounting firm retained by Lessee, shall contain an unqualified opinion of such firm and shall otherwise meet the requirements of Section 9.4 of the Loan Agreement (as defined in Exhibit D attached hereto;

(ii) within forty-five (45) days following the end of each of Lessee's fiscal years, an update to the Cash Flow Projections that includes the actual figures for the year just ended and updates the remaining years (through fiscal years 2031-2032), except that commencing in fiscal year 2028-2029, each year's new Cash Flow Projections shall extend out for no fewer than the next five fiscal years;

(iii) within forty-five (45) days prior to the end of each of Lessee's fiscal years, a copy of the annual budget approved by the board of managers of Lessee ("Budget");

(iv) within forty-five (45) days following the end of each quarter in each of Lessee's fiscal years, an actual statement of revenue and expenses for such quarter and the fiscal year to date in the same format used for the Cash Flow Projections that includes a comparison of the actual results to the Budget for such fiscal year ("Actual Cash Flow Statement");

(v) within thirty (30) days following payment thereof, proof of payment of (1) each installment of the real estate taxes for the Project; and (2) each semi-annual bond payment;

(vi) upon submittal to Amalgamated copies of the following reports or documents provided by Lessee in accordance with the requirements of the Financing Documents:

(1) copies of any requests for disbursement of funds from the Building Repair Reserve Fund (as defined in Section 3.5 of the Tax Agreement, as defined in Exhibit D attached hereto; also called the Repair and Replacement Fund as defined in Section 4.3 of the Trust Indenture, as defined in Exhibit D attached hereto) and maintained by Amalgamated under the Financing Documents;

(2) a statement showing the amounts then remaining on deposit in the Building Repair Reserve Fund (a/k/a Repair and Replacement Fund) and all deposits and withdrawals from such fund during the prior reporting period;

(3) a schedule showing the projected deposits into and uses for the funds held in the Building Repair Reserve Fund (a/k/a Repair and Replacement Fund) for items such as capital improvements, major repairs and ordinary course repairs for the next two to three fiscal years ("Capital Repair and Replacement Budget");

(4) copies of the annual certification to Amalgamated that Lessee has complied with the covenants contained in the Financing Documents, including a calculation of the Debt Service Coverage Ratio Lessee is obligated to maintain (as required by and as defined in Section 8.3 of the Loan Agreement); and

(5) copies of any other statements or reports provided to Amalgamated under the Financing Documents or at the request of Amalgamated;

(vii) within thirty (30) days following the end of each calendar year year (or following the end of such other twelve month period of time over which Amalgamated reports the activity in the following funds), a copy of the statement or statements produced by Amalgamated showing the activity during the prior calendar year (or such prior twelve-month period, as the case may be) in each of the following funds: (1) the Revenue Fund, (2) the Building Repair Reserve Fund a/k/a the Building Repair Reserve Fund, (3) the Bond Sinking Fund, (4) the Interest Fund, and (5) the Debt Service Reserve Fund;

(viii) upon filing with the Internal Revenue Service and the Illinois Attorney General, copies of the Form 990/Form AG990-IL Returns filed by WHA, WHC and Lessee; and

(ix) upon filing with the Illinois Secretary of State a copy of the Annual Report of Lessee.

(c) No Amendment of Financing Documents. Lessee shall not amend any of the Financing Documents without the consent of Lessor, which consent shall not be unreasonably withheld or delayed as long as the amount of each semi-annual bond payment (including both principal and interest) is not increased and the interest rate payable on the bonds is not increased.

(d) Signed Contracts for Ice Time from Members. As of the date of this Second Amendment the two members of Lessee, WHA and WHC, have each entered into contracts with Lessee for purchase of the total hours of ice on the two rinks on the Property outlined in Exhibit B and at the rates for the annual dollar amounts set forth in Exhibit C ("Contract Commitments") through July 31, 2023. In no event shall either WHA's or WHC's individual Contract Commitments be reduced without Lessor's consent, which consent shall not be unreasonably withheld or delayed. No later than May 31, 2023, if Lessee has not yet reached the Catch-Up Point, Lessee shall provide evidence to Lessor's Beneficiary that WHA and WHC have each entered into new contracts having a term expiring no earlier than the end of Lease Year 24 (9/1/31-8/31/32) or the end of Lessee's fiscal year in which Lessee reaches the Catch-Up Point with Annual Contract Amounts no less than the amounts for WHA and WHC, respectively, that are payable during Year 2022-2023 as set forth in Exhibit C.

(e) No Change in Management Company. Lessee shall not terminate or cancel the contract of the current manager of the Project, Club Sports Consulting Group, or any successor to Club Sports Consulting Group, without the consent of Lessor, which consent shall not be unreasonably withheld or delayed. Lessee shall notify Lessor of any proposed change in the management of the Project not less than thirty (30) days prior to the effective date of such proposed change in order to provide sufficient time to obtain the consent of Lessor to the replacement manager.

(f) WHA and WHC Guaranty. WHA and WHC shall remain obligated under terms and provisions of the Guaranty of Payment and Performance of Ground Lease Obligations executed by WHA and WHC as of the date of this Second Amendment and delivered to Lessor concurrently with this Second Amendment. Each guarantor shall be liable for only fifty percent (50%) of any obligation and shall not be jointly or severally liable thereunder, but Lessee understands and agrees that if and to the extent the failure by WHA and WHC to fund the full amount of any such obligation results in a failure by Lessee to cure any Default under the Ground Lease, such Default may become an Event of Default, upon which Lessor shall be entitled to exercise its rights and remedies provided for in the Ground Lease on account of such Event of Default.

5. **Reaffirmation and Confirmation of Ground Lease.** All of the terms, conditions, agreements, obligations and provisions set forth in the Ground Lease as hereby amended, modified and supplemented shall be and they hereby are reaffirmed, ratified and confirmed in their entirety and incorporated herein by reference as if fully set forth herein.

6. **Governing Law.** This Second Amendment shall be governed by the laws of the State of Illinois, as may be amended from time to time, without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than the State of Illinois.

7. **No Further Amendments.** Except as otherwise provided herein, in all other respects the Ground Lease shall remain unchanged and in full force and effect.

8. **Executed Counterparts.** This Second Amendment may be executed in one or more counterparts, each of which shall constitute an original, but all of which, when taken together shall constitute only one legal instrument. This Second Amendment shall become effective when copies hereof (when taken together) shall bear the signatures of both parties hereto.

9. **Trustee Exculpation**. This Second Amendment is executed by Chicago Title and Trust Company, as Trustee as aforesaid, solely in the exercise of the power and authority conferred upon and vested in said trustee in its capacity as such trustee (and said trustee hereby warrants that it possesses full power and authority to execute this instrument), and it is expressly understood and agreed that nothing contained in this Amendment shall be construed as creating any liability on said trustee in its capacity as trustee, personally to comply with the terms of this Second Amendment, except for a failure to act when or as directed, all such liability, if any, being expressly waived by every person now or hereafter claiming any right under this Second Amendment. It is hereby agreed that said trustee shall be permitted to attach the form of exculpation customarily used by it to all documents, agreements, instruments, or other writings executed by it.
