CERTIFICATE OF WINNETKA HOCKEY CLUB, INC.

THIS CERTIFICATE OF GUARANTOR is made January 25, 2008. The undersigned, Richard Spring and Eric R. Lifvendahl, hereby certify that we are the duly qualified and acting President and Vice President, respectively, of Winnetka Hockey Club, Inc., an Illinois Not for Profit Corporation (the "Guarantor"), and that as such officers we are familiar with the Guarantor's properties, affairs and records. The undersigned hereby make the following certifications in connection with the issuance by Illinois Finance Authority (the "Issuer") of the Issuer's Sports Facility Revenue Bonds (North Shore Ice Arena Project), Series 2008, issued in the aggregate principal amount of $8,490,000 (the "Bonds"), pursuant to a Trust Indenture (the "Indenture"), dated January 1, 2008, between the Issuer and Amalgamated Bank of Chicago, as trustee:

1. The Guarantor is an Illinois not-for-profit corporation, duly organized, validly existing and in good standing under the laws of the State of Illinois (attached as Exhibit A is a recent Good Standing Certificate pertaining to the Guarantor issued by the Secretary of State of the State of Illinois). Attached as Exhibit B is a true, correct and complete copy of the Articles of Incorporation, which were filed with the Illinois Secretary of State's Office on October 6, 1971 and all amendments thereto. There have been no other changes to such Articles and such Articles were in full force and effect on the date of adoption of the resolutions referred to in paragraph 2 hereof and are in full force and effect on the date hereof.

2. Attached as Exhibit C hereto is a true, correct and complete copy of the Bylaws of the Guarantor, as of the date hereof. Such Bylaws were in full force and effect on the dates of adoption of the resolutions referred to in paragraph 3 hereof and are in full force and effect on the date hereof.

3. Attached as Exhibit D are true, correct and complete copies of certain resolutions of the Board of Directors of the Guarantor authorizing the financing of the Project (as defined in the Loan Agreement identified below) with the proceeds of the Bonds and the execution of the certificates and documents relating to the Bonds (the "Resolutions"). Said Resolutions have not been amended, altered or repealed, but the same and each and every part thereof is in full force and effect on the date hereof.

4. Included in the transcript of documents pertaining to the issuance of the Bonds is a true and correct evidence of the Internal Revenue Service (the "Service") that the determination of the Service that the exemption of the corporation from Federal income taxation remains in full force and effect. Said determination has not been altered, amended or repealed since the date thereof.

5. Each of the following documents has been duly executed and delivered by the Guarantor:

a. Loan Agreement

b. Tax Exemption Certificate and Agreement

c. Guaranty Agreement

Such documents, together with all other agreements, documents and certificates as may be required to be executed and delivered by the Guarantor to carry out, give effect to and consummate the transactions contemplated by the Bond Purchase Agreement relating to the Bonds are sometimes collectively referred to herein as the "Documents."

6. The Guarantor has full legal right, power and authority to enter into the Documents and to carry out and effectuate the transactions contemplated by the Documents.

7. No consent, approval, authorization or order of, or filing, registration or declaration with, any court or governmental agency or body is required on behalf of the Guarantor for the execution, delivery and performance by the Guarantor of the Documents or the consummation of the other transactions effected or contemplated thereby.

8. The execution and delivery of each of the Documents and the performance by the Guarantor of its obligations thereunder do not and will not violate the Articles of Incorporation or the Bylaws of the Guarantor or any court order by which the Guarantor is bound, and such actions do not and will not constitute a default under any agreement, indenture, mortgage, lease, note or other obligation or instrument to which the Guarantor is a party, and all approvals and other action required by any governmental authority or agency in connection therewith have been obtained.

9. Each of the Guarantor's representations and warranties contained in all of the Documents is true and correct in all material respects on and as of the date hereof.

10. There is no action, suit, proceeding, inquiry or investigation, at law or in equity or before or by any public board or body pending or, to the best knowledge of the Guarantor, threatened against or affecting the Guarantor or its property or, to the best knowledge of the Guarantor, any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect (i) the transactions contemplated by any Guarantor Document, (ii) the validity or enforceability of the Bonds or any Document, (iii) the exemption of the Guarantor from Federal income taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), or (iv) the operations or financial condition of the Guarantor.

11. The Guarantor has duly authorized, by all necessary action, the execution, delivery and due performance by the Guarantor of the Documents.

12. Assuming due authorization, execution and delivery by the other parties thereto, the Documents constitute legal, valid and binding obligations of the Guarantor enforceable against the Guarantor in accordance with their respective terms, subject to any applicable bankruptcy, insolvency, reorganization or similar laws affecting the enforcement of creditors' rights generally and general principles of equity.

13. The Guarantor is an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), and is exempt from taxation under Section 501(a) of the Code, the Guarantor is not a "private foundation" as defined in Section 509(a) of the Code, no portion of the net earnings of the Guarantor inures to the benefit of any private person, and the Guarantor has no "unrelated business taxable income" as defined in Section 512 of the Code.

14. The Guarantor is an organization described in Section 501(c)(3) of the Code, is exempt from Federal income taxes under Section 501(a) of the Code, and is not a "private foundation" within the meaning of Section 509(a) of the Code. At all times on and after the date hereof, North Shore Ice Arena, LLC (the "Borrower"), the Guarantor and Wilmette Hockey Association, Inc. are expected to be treated for federal tax purposes as, the sole owners and users of the Project. To our knowledge, there has been no material change or threatened change in the status of the Guarantor an organization described in Section 501(c)(3) of the Code.

15. No more than 5% of the net proceeds of the Bonds (including the 2% thereof used for costs of issuance) are to be used for any trade or business carried on by any person who is not (a) a governmental unit or (b) an organization described in Section 501(c)(3) of the Code and exempt from tax under Section 501(a), but only with respect to a trade or business which is not an unrelated trade or business determined by applying Section 513(a) to such organization (any person described in (a) or (b), an "Exempt Person"). Further, no more than 5% of the net proceeds of the Bonds is (under the terms of the Bonds or any underlying arrangement) directly or indirectly (x) secured by an interest in property used or to be used in a trade or business carried on by a person who is not an Exempt Person or payments in respect of such property or (y) to be derived from payments (whether or not to any Borrower or the Issuer) in respect of property, or borrowed money, used or to be used for a trade or business carried on by a person who is not an Exempt Person.

16. The Guarantor reasonably expects, as of the date hereof, that the Project will be used for its exempt purpose until the final maturity of the Bonds and will not meet the private business test.

17. The Project will not be used by any person (other than an Exempt Person) whose relationship with the Borrower is such that any item of property comprising the Project would be considered used in the trade or business of a Non-Exempt Person under Revenue Procedure 97-13, as such Revenue Procedure may be modified or superseded, or any other provision of the Code or the Regulations, if that use will cause the limits described in Paragraph 14 above to be exceeded and will cause interest on the Bonds to lose the exclusion from gross income for federal income tax purposes.

18. The persons named below are, at the date hereof, and were on the dates of their respective execution of the Documents, the duly elected, qualified and acting incumbents of their respective offices of the Guarantor which are set out at the left of their respective names, and the signatures of such persons on the signature page of this Certificate above their names, are the genuine signatures of said officers:

Title	**Name**
President	Richard Spring
Vice President	Eric R. Lifvendahl

19. To our knowledge, as of the date hereof, no default or event of default has occurred and is continuing, and no event has occurred and is continuing which with the lapse of time or the giving of notice, or both, would constitute a default or an event of default under any of the Documents or any of the other documents contemplated in any of the Documents or any other material agreement or material instrument to which the Guarantor is a party or by which the Guarantor is or may be bound or to which any of the property of the Guarantor is or may be subject, including all such agreements or instruments to which the Issuer is a party.

20. To our knowledge, there has been no material change or threatened change in the status of the Guarantor as a 501(c)(3) organization as defined in the Code.

21. The information with respect to the Guarantor set forth in the Preliminary Limited Offering Memorandum, dated January 9, 2008 (the "Preliminary Limited Offering Memorandum"), the Supplement to Limited Offering Memorandum, dated January 11, 2008 (the "Supplement to Limited Offering Memorandum"), and the Limited Offering Memorandum, dated January 17, 2008 relating to the Bonds (together with the Preliminary Limited Offering Memorandum, and the Supplement to Limited Offering Memorandum, the "Limited Offering Memorandum"), is true and accurate.

22. There has been included in the Limited Offering Memorandum all material information and full disclosure of all relevant information known to the Guarantor concerning any legal proceedings against the Guarantor.

23. As of the date hereof, the information in the Limited Offering Memorandum concerning the Guarantor is true and correct in all material respects and does not contain any untrue statement of a material fact and does not omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

24. The representations and warranties of the Guarantor contained in the Bond Purchase Agreement dated January 17, 2008 (the "Bond Purchase Agreement") the Issuer, the Borrower, the Guarantor and Oppenheimer & Co. Inc. (the "Underwriter") are true and accurate as of the date hereof. The Guarantor has complied with all agreements and satisfied all conditions on its part to be observed or satisfied under the Bond Purchase

Agreement and under the Indenture at or prior to the date hereof. Since the respective dates as of which information is given in the Limited Offering Memorandum relating to the Bonds, there has not been any material adverse change in the condition, financial or other of the Guarantor. The Documents are in full force and effect and have not been revoked, altered or amended.

All capitalized terms that are not otherwise defined herein shall have the meanings ascribed to such terms in the Indenture and the Loan Agreement.
