FIFTH AMENDMENT

TO

GROUND LEASE

FOR

REAL ESTATE PARCEL EC-2C

BETWEEN

PARCEL EC-2C LLC, an Illinois limited liability company, as Lessor

AND

NORTH SHORE ICE ARENA, LLC, an Illinois limited liability company, as Lessee

DATED AS OF: August 31, 2024

FIFTH AMENDMENT TO GROUND LEASE

This FIFTH AMENDMENT TO GROUND LEASE (this "Fifth Amendment") is made effective as of August 31, 2024 ("Effective Date") by and between **PARCEL EC-2C LLC**, an Illinois limited liability company ("Lessor"), successor lessor to CHICAGO TITLE LAND TRUST COMPANY, not personally, but solely as Trustee under a Trust Agreement dated as of December 1, 2007 and known as Trust No. 1114334 ("Original Lessor"), and **NORTH SHORE ICE ARENA, LLC**, an Illinois limited liability company ("Lessee").

A.

RECITALS

Original Lessor and Lessee entered into that certain Ground Lease dated as of December 1, 2007 ("Original Ground Lease"), a Short Form and Memorandum of which was recorded on January 31, 2008 in the Office of the Recorder of Deeds of Cook County, Illinois as Document No. 0803133011, and pursuant to which Lessee leased from Lessor the premises legally described on Exhibit A to the Original Ground Lease, being the same premises legally described on Exhibit A attached hereto.

B. The Original Ground Lease was amended by that certain First Amendment to Ground Lease dated as of February 5, 2010 ("First Amendment"), by that certain Second Amendment to Ground Lease dated as of September 1, 2012 ("Second Amendment"), by that certain Third Amendment to Ground Lease dated as of December 22, 2015 ("Third Amendment"), and by that certain Fourth Amendment to Ground Lease dated as of April 1, 2020 ("Fourth Amendment"); said Original Ground Lease as amended by the First Amendment, the Second Amendment, the Third Amendment, and the Fourth Amendment, being herein referred to as the "Current Ground Lease"). The First Amendment provided (at the request of Lessee) certain relief from the full Base Rent required by the Original Ground Lease due to construction defects and construction cost overruns related to the development of the Project leading to higher than anticipated costs and lower than anticipated revenues for the Project. The Second Amendment provided (at the request of Lessee) certain additional relief in the form of a deferral of the Full Base Rent required to be paid under the Original Ground Lease, as amended by the First Amendment, on account of unexpectedly high prior year real estate taxes and ongoing operating expenses. The Third Amendment modified the Permitted Use for the Premises. The Fourth Amendment provided (at the request of Lessee) certain additional relief in the form of an extended deferral of certain amounts of Base Rent required to be paid under the Original Ground Lease, a portion of which was a direct result of the cancellation (or shortened) Spring 2020 youth hockey league due to the COVID-19 pandemic.

C. Lessee has again requested additional relief in the form of a deferral of certain amounts of Base Rent required to be paid under the Current Ground Lease, with such amounts to be held by Lessor in a segregated account and made available to Lessee to use for the purchase of new equipment for the North Shore Ice Arena, including a new chiller system, and Lessor has agreed to grant certain temporary additional relief to Lessee on the conditions set forth in this Fifth Amendment.

Accordingly, in consideration of their mutual agreements set forth herein, Lessor and Lessee hereby agree as follows:

1.

Defined Terms. All capitalized terms used but not defined in this Fifth Amendment shall have the same meanings as in the Current Ground Lease, unless otherwise expressly provided in this Fifth Amendment. In addition, from and after the date hereof, the term **"Ground Lease"** as used in the Current Ground Lease and this Fifth Amendment shall mean and include the Current Ground Lease, as amended by this Fifth Amendment.

2.

Escrowed Ground Rent Payments. Subject to and on the terms and conditions set forth in this Fifth Amendment, beginning with the installment of Base Rent payable for the month of September 2024 and continuing until the total amount held in the Escrow Account (defined below) equals Three Hundred Thousand and 00/100 Dollars ($300,000.00), Lessor shall hold each monthly installment of Base Rent paid by Lessee in a segregated account (the "Escrow Account") at a bank of Lessor's choosing. Based on the current schedule of Base Rent set forth in the Fourth Amendment, Lessor shall deposit into the Escrow Account the Base Rent payments that Lessee makes for the months of September 2024 through and including May 2025 *(ie*., nine payments of $31,666.67 each, for a total of $285,000.03), plus a portion of the Base Rent payment that Lessee makes for the month of June 2025 (*ie*., an amount equal to $14,999.97), so that the Escrow Account is funded with a total of Three Hundred Thousand and 00/100 Dollars ($300,000.00). The funds held in the Escrow Account from time to time are referred to herein as the **"Escrowed Funds**." For the avoidance of doubt, Lessor is entitled to deposit the balance of the Base Rent payment made by Lessee for the month of June 2025 (i.e., an amount equal to $16,667.70) in Lessor's operating account (or such other account**(s)** as Lessor may desire), and in no event shall Lessor be required to deposit those funds into the Escrow Account. Lessor is entitled to keep all interest earned on the Escrowed Funds, and Lessor shall have the right to disburse an amount equal to the interest earned thereon to another account or accounts controlled by Lessor at any time and from time to time. The Escrowed Funds will be held by Lessor in the Escrow Account and made available to Lessee for use in accordance with Section 4 below.

3.

Chiller **Replacement Project**. Lessee acknowledges and agrees that Lessor is escrowing the Escrowed Funds solely as an accommodation to Lessee (and at Lessee's request) to allow Lessee to finance the replacement of the chiller system for the North Shore Ice Arena (the **"Chiller Replacement Project**"). Lessee represents and warrants to Lessor that Lessee has engaged Everything Ice, Inc., a Pennsylvania corporation (the **"Rink Contractor**"), to procure and install all equipment and to perform and oversee all work required to complete the Chiller Replacement Project (collectively, the "Chiller **Replacement Work**") pursuant to that certain AIA Document A104-2017 Standard Abbreviated Form of Agreement between Owner and Contractor dated as of August 2024 (the **"Chiller Replacement Contract**"). Within one (1) Business Day after the Effective Date, Lessee shall provide to Lessor a true and correct copy of the fully-executed Chiller Replacement Contract. In addition, Lessee shall provide to

Lessor copies of all change orders and modifications to the Chiller Replacement Contract and all notices sent by either party under or with respect to the Chiller Replacement Contract, in each case promptly upon **the** delivery, receipt, or execution thereof, as the case may be.

4. **Conditions and Procedures for Release** of **the Escrowed Funds.** Lessee shall have the right to request withdrawal of the Escrowed Funds from the Escrow Account, and Lessor shall disburse the Escrowed Funds to Lessee or directly to the Rink Contractor (as determined by Lessor) from time to time, in accordance with the following terms and conditions:

(a) Lessee shall submit to Lessor a written request for disbursement of the Escrowed Funds at least five (5) Business *Days* before the date on which the payment to which the Escrowed Funds will be applied is due to the Rink Contractor. The amount requested shall correspond to the invoice from the Rink Contractor then being paid. The date on which Lessor disburses any portion of the Escrowed Funds to Lessee or directly to the Rink Contractor (as determined by Lessor) is referred to herein as an "Escrow **Disbursement Date**." Lessee's notice shall include (1) a copy of the invoice then being paid, (ii) a sworn statement from the Rink Contractor setting forth the original Contract Sum (as defined in the Chiller Replacement Contract), the amount of all change orders, the adjusted Contract Sum (including all extras and credits), the amounts previously paid by Lessee, and the balance to become due (the "Outstanding **Balance**") under the Chiller Replacement Contract, (iii) lien waivers for all sums previously paid by Lessee, and (iv) if the Outstanding Balance exceeds the amount of the Escrowed Funds (such excess amount, the **"Funding Gap"**), Lessee's source of funds or other plan to finance the Funding Gap.

(b) If the Outstanding Balance exceeds the amount of the Escrowed Funds, Lessor shall have the right, in its sole discretion, (i) to refuse to disburse the Escrowed Funds to Lessee, (ii) to disburse less than all of the Escrowed Funds to Lessee, or (iii) to condition the release of all or part of the Escrowed Funds to Lessee upon such terms and conditions as Lessor shall determine are reasonable under the circumstances, including without limitation requiring Lessee to reduce the Outstanding Balance by an amount sufficient to eliminate the Funding Gap and to resubmit the written request and contractor's sworn statement described in subpart (a) above.

(c) The Escrowed Funds shall not be used, except in the event of Default by Lessee, for any purpose other than payment to the Rink Contractor under the Chiller Replacement Contract without the consent of Lessor, which consent may be granted or withheld in Lessor's discretion.

5.

Repayment of **the Escrowed** Funds**.**

(a)

Lessee shall pay interest on the Escrowed Funds at a rate of five and one hundred twenty-five thousandths percent (5.125%) per annum. Interest shall accrue on the funds disbursed from the Escrow Account beginning **on** the Escrow Disbursement Date applicable to such disbursement.

(b) Lessee shall repay the Escrowed Funds and the interest due thereon to Lessor in forty-eight (48) consecutive monthly installments beginning on September 1, 2025 and on the first day of every month thereafter until August 1, 2029. Each monthly payment shall be in the amount of $7,531.25, such amount being the sum of (i) 1/48 of the Escrowed Funds *(i.e.*, $300,000 ÷ 48, or $6,250), *plus* (ii) 1/12 of the interest due thereon (ie., $300,000 x 5.125% 12, or $1,281.25). At Lessor's request, the first monthly installment shall also include all interest accrued from each applicable Escrow Disbursement Date through and including September 1, 2025.

Project.

(c
)

On August 1, 2029, any and all portions of the Escrowed Funds that have not been repaid to Lessor, including all accrued and unpaid interest, shall be due and payable.

(d) Notwithstanding the foregoing, if Lessee repays the entirety of the Escrowed Funds prior to August 1, 2029, then so long as no Default has occurred under the Ground Lease, Lessee shall be relieved of the obligation to pay interest on the Escrowed Funds for any month after the month in which the Escrowed Funds are repaid in full, meaning (for example) if Lessee repays the last of the Escrowed Funds on May 1, 2029, then Lessee need not pay the interest that would otherwise be due for the months of June, July, and August 2029.

(e
)

The amounts payable under this Section 5 are in addition to Lessee's regular installments of Base Rent and any other amounts due to Lessor under the Ground Lease.

6.

Other Terms Applicable to the Escrowed Funds and the Chiller Replacement

(a) If no event shall Lessee be entitled to request disbursement of any portion of the Escrowed Funds at any time while a Default exists under the Ground Lease. Upon the occurrence and during the continuance of a Default, Lessor may use the Escrowed Funds to cure such Default or retain the Escrowed Funds until such time as the Default has been cured by Lessee.

(b) In no event shall Lessor be required to deposit more than Three Hundred Thousand and 00/100 Dollars ($300,000.00) into the Escrow Account, regardless of whether the cost to complete the Chiller Replacement Work exceeds the amount budgeted by Lessee or if Lessee incurs unanticipated costs in connection with the completion of the Chiller Replacement Project or for any other reason.

(c) Lessee shall not amend the Chiller Replacement Contract without the consent of Lessor, which consent shall not be unreasonably withheld or delayed as long as (i) the Contract Sum (as defined in the Chiller Replacement Contract) does not exceed an amount equal to the combined total of Lessee's cash on hand plus the Escrowed Funds then held in the Escrow Account, and (ii) Substantial Completion (as defined in the Chiller Replacement Contract) of the entire Chiller Replacement Work does not extend beyond August 1, 2025.

(d) Lessee shall provide to Lessor monthly status reports regarding the progress of the Chiller Replacement Project. Lessee shall also meet with Lessor or its representatives from time to time upon request to provide detailed progress reports and to permit Lessor to review documentation related to the Chiller Replacement

Project, including without limitation construction schedules, payment applications, and invoices.

(e) Lessee shall arrange for and furnish at its sole cost and expense any and all necessary consents and permits required by any Governmental Authority for the

construction and installation of the improvements constituting the Chiller Replacement Project.

(f) Lessee shall notify Lessor thirty (30) days before the date on which Landlord estimates the Rink Contractor will achieve Substantial Completion of the Chiller Replacement Project. Within five (5) days before Lessee's estimated date of Substantial Completion of the Chiller Replacement Project, Lessee shall notify Lessor of the impending completion date and, at Lessor's request, Lessee shall provide Lessor with a walk-through inspection of the ice rink and the Chiller Replacement Project.

(g) Throughout the course of construction, Lessee shall promptly notify Lessor if Lessee becomes aware of any material difference between the estimated cost of the Chiller Replacement Work and the actual Chiller Replacement Work (which notice shall include reasonable detail regarding the reason for the difference between the estimated and actual costs). If the actual Chiller Replacement Work cost is more than the estimated Chiller Replacement Work cost for any reason, including without limitation unforeseen or unanticipated matters or conditions, all such costs and payments shall be borne by Lessee, and Lessee shall provide to Lessor evidence that Lessee has (or Lessee's plan to obtain) funds to cover such additional expenses.

(h) At all times prior to disbursement to Lessee under Section 4 above, the Escrow Account and Escrowed Funds shall be considered Lessor's property. In no event shall Lessee or the Rink Contractor have any right to attach or otherwise claim a lien on the Escrow Account or any portion of the Escrowed Funds, nor shall Lessor be considered a guarantor of Lessee's obligations under or a party to the Chiller Replacement Contract.

7. **WHA and WHC Guaranty**. WHA and WHC shall remain obligated under the terms and provisions of that certain Guaranty of Payment and Performance of Ground Lease Obligations dated as of September 1, 2012 and executed by WHA and WHC (the "Existing Guaranty"), as amended as provided in this Fifth Amendment. In order to confirm WHA's and WHC's obligations under the Existing Guaranty extend to the Ground Lease Obligations, as amended by this Fifth Amendment, WHA and WHC shall execute and deliver the Joinder to this Fifth Amendment. As provided in the Second Amendment, each guarantor shall be liable for only fifty percent (50%) of any obligation under the Existing Guaranty (as amended by said Joinder) and shall not be

jointly or severally liable thereunder, but Lessee understands and agrees that if and to the extent the failure by WHA and WHC to fund the full amount of any such obligation results in a failure by Lessee to cure any Default under the Ground Lease, such Default may become an Event of Default, upon which Lessor shall be entitled to exercise its rights and remedies provided for in the Ground Lease on account of such Event of Default.

8. **Addresses and** Addressees for **Notices** to **Lessor and** Lessee. The addresses and addressees for notices to Lessor and Lessee set forth in Section 24.1 of the Original Lease are hereby amended to read as follows:
